Doctor Remodel, LLC is requesting a Conditional Use Permit for an Accessory Apartment on behalf of Beverly D. Schleicher at 10500 Harrogate Court, Louisville, KY 40229.

We are finishing the basement as an area for Ms. Schleicher's mother to reside. We would like to include a range in the basement for her mother to remain independent. There are no plans to separate the basement from the house. Ms. Schleicher will be installing a stair lift to make the rest of her house accessible to her mother.
