RESCHEDULED MEETING: Thursday, February 8, 2018

Dear Clarence and Annette,

This letter is from your neighbors, Todd and Cheryl Schleuning.

Our home is located at 2035 Long Run Road, where we have lived for 12 years.

Last year, we had to move my 73-year-old mother into our home. It has worked out great, but ultimately we all need our own space.

We are writing to invite you to attend a short **Neighborhood meeting THAT HAS BEEN RESCHEDULED FOR 6:30 p.m. on Thursday, February 8, 2018** at our home to discuss our proposal to turn a 25'x25' outbuilding into a small, accessory apartment for my mom. The outbuilding has been on our property since the home was built in the mid 90's and we will not be adding any square footage to the building. It had previously been used to store our outdoor equipment, mowers, etc.

In order to satisfy the permit requirements that are necessary to complete the work, we are required to notify all of our first and second tier Adjoining Property Owners about our proposal, to allow you an opportunity to see what we are doing and offer feedback if you like.

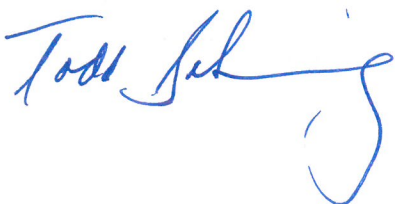

You are not required to attend the meeting, but we welcome anybody that would like to see what we plan to do. We'll have some hot coffee ready!

You can also call me at (502) 727-7000 with any questions. If you reach my voicemail, please leave a message and I'll get back to you as quickly as possible.

Thank you for your time and for making this such a great place to live and raise our kids.

Your neighbors,

Todd and Cheryl Schleuning
