

General Waiver Justification:

In order to justify approval of any waiver, the Planning Commission or Board of Zoning Adjustment considers four criteria. Please answer **all** of the following questions. Use additional sheets if needed. **A response of yes, no, or N/A is not acceptable.**

1. Will the waiver adversely affect adjacent property owners?

No. There is adequate sight distance in both directions so there will be no adverse affect on adjacent property owners.

2. Will the waiver violate the Comprehensive Plan?

3. Is extent of waiver of the regulation the minimum necessary to afford relief to the applicant?

Yes. The waiver will allow the applicant to build a driveway for his new home. This site meets all other requirements of the Land Development Code.

4. Has either (a) the applicant incorporated other design measures that exceed the minimums of the district and compensate for non-compliance with the requirements to be waived (net beneficial effect) or would (b) the strict application of the provisions of the regulation deprive the applicant of the reasonable use of the land or would create an unnecessary hardship on the applicant?
