Servitors At Your Beck and Call

You may never hire servants; but you are never without them in The Puritan.

The press of a button or the turn of a valve brings you the world's best servants in their most modern dress.

Electricity for heat, refrigeration and light, for cleaning, to carry your messages, to bring you music and entertainment, is at the disposal of all Puritan guests.

These are but a few of the services included in the rental of a Puritan apartment. Your carpets are vacuum-cleaned, your packages cared for and delivered, your gas, hot and cold water, refrigerator, cabinets, shower baths and range are provided. For those who desire it, maid service is available at moderate cost.

It is impossible to give more than The Puritan gives; it is impossible to get it for less.

Rentals \$70 to \$150 a month; slightly higher for completely furnished apartments.
