NOISE BUFFER LINE

Lot 2A
Fourth Floor:
Board Room,
Open Space,
and Offices

The site plan shows a large rectangular building footprint on Lot 2A. A yellow-shaded area within the building footprint is labeled 'NOISE BUFFER LINE'. The building footprint is divided into several rooms, including a 'BOARD ROOM', 'OPEN SPACE', and 'OFFICES'. Other rooms labeled include 'RECEPTION', 'CONFERENCE ROOM', 'RESTROOM', 'ELEVATOR', 'STAIR', 'HALL', 'CIRCULATION', 'ADMINISTRATIVE', 'ACCOUNTING', 'OPERATIONS', 'AND MAINTENANCE', 'ACADEMIC', 'LIBRARY', 'COMPUTER', 'LABORATORY', 'WORK ROOM', 'STORAGE', 'RECEPTION', 'CONFERENCE ROOM', 'RESTROOM', 'ELEVATOR', 'STAIR', 'HALL', 'CIRCULATION', 'ADMINISTRATIVE', 'ACCOUNTING', 'OPERATIONS', 'AND MAINTENANCE', 'ACADEMIC', 'LIBRARY', 'COMPUTER', 'LABORATORY', 'WORK ROOM', 'STORAGE'. The plan also shows a parking lot with several parking spaces and a road labeled 'Gene Snyder I-265' with a '15' R/Y' (Right of Way) line. A '50' GENE SNYDER BUFFER' is indicated between the road and the building. A 'NOISE BUFFER LINE' is shown as a yellow-shaded area within the building footprint.

NOISE BUFFER LINE

Lot 2A
Fourth Floor:
Board Room,
Open Space,
and Offices

The site plan shows a large rectangular building footprint on Lot 2A. A yellow line outlines a specific section of the building, which is identified as the fourth floor. This section includes a large open space, a board room, and several offices. The rest of the building footprint contains various other rooms, including a conference room, a meeting room, a reception area, and a rest room. A noise buffer line is shown running along the right side of the building. The plan also shows a parking lot with several parking spaces and a road labeled 'Gene Snyder I-265' with a '15' R/Y' (Right of Way) line. A '50' GENE SNYDER BUFFER' is indicated along the bottom edge of the lot. The text 'Lot 2A Fourth Floor: Board Room, Open Space, and Offices' is prominently displayed in the center of the plan.
