Administration

- Administration
- Human Resources
- Communications
- IT
- Grants

Budget Cut Impacts

Mosquito Control – priority given to areas with disease prevalence, resource needs, population density.

Specialty Clinic – Decrease in providers means a delay in diagnosis and a delay in treatment

Float Nurse, CHE positions – reduced services, clinic closures for unexpected absences, delayed release of reports such as Health Equity Report, delay in providing requested data and reports

Environmental Health Specialist – 1,000 fewer food safety inspection services per year, increased wait times for restaurant openings and complaint investigations, increased risk of foodborne illness

CORE PUBLIC HEALTH

FOUNDATIONAL PUBLIC HEALTH

Five focus areas, which includes statutorily and regulatorily defined services:

- 1. Population Health
- 2. Enforcement of Regulation
- 3. Emergency Preparedness & Response
