### **REQUEST**

Conditional Use Permit to allow short term rental of dwelling units not the primary residence of the host (LDC 4.2.63)

### **CASE SUMMARY / BACKGROUND**

The applicant proposes to conduct short-term rental of two dwelling units within residential structure. As neither is the primary residence of the host, a Conditional Use Permit is required.

The site is located on the east side of S. Floyd Street at the intersection with Woodbine Street, within the TNZD and a Traditional Neighborhood form district. It is adjoined by multi-family residential uses to the north, south and east and single- and multi-family uses to the west.

The existing structure currently contains four apartments. The applicant will be converting it to two dwelling units, with one one-bedroom unit located entirely on the first floor and a second three-bedroom unit on the first and second floors.

LDC regulations credit the S. Floyd Street property frontage with two on-street parking spaces and the Woodbine Street frontage with one space. A church on the corner opposite the residence has on-street parking for approximately 16 additional vehicles. There is no off-street parking available.
