President James –

Last week I emailed with Major Bogan of the 6<sup>th</sup> Division about Brent's desire using 26<sup>th</sup> District NDF money as we have in the past for patrols for school opening. I was hoping to get a response by the 12 Noon deadline today for new business but didn't.

I've just received below (at 4:41 p.m.) the response I was seeking and would like to know if an exception can be made so that we can add an item for \$5000 to LMPD for patrols to be introduced this Thursday. I would turn it in in the morning. That way the money would be appropriated by the time school starts next week, technically, literally on the first day of school. This is an important Public Safety item for the students and parents in the 26<sup>th</sup> District.

Please let me know.

**Subject:** RE: Extra Patrols

Sir, Major Bogan is on vacation this week so I am handling his business until he returns. I will pass the speeding complaint information along to the platoon sergeants for them to have officers give extra attention to the speed zones leading up to the advent of the school year. Once you have the funds in place for the more concentrated enforcement, please notify the major and I and we will get it orchestrated. Thanks.

Respectfully,
