The approval of Metro Council shall be required before any revenue generated by Metro-owned Golf Courses is expended for any other purpose.

42.43 MANAGEMENT OF METRO-OWNED GOLF COURSES

Every four years, Metro Parks shall compile a benchmarking report of Louisville Metro-owned golf courses for the purpose of equipping Louisville Metro to make informed decisions regarding golf operations. The report should review or evaluate eight (8) to twelve (12) other municipal golf operations and semi-public/private courses within municipalities that are comparable to the Metropolitan Statistical Area (MSA) of Metro Louisville.

¶ Metro Parks shall contract with a private entity or person for the management of any Metro-owned golf courses by December 31, 2019. ¶ The following restrictions must be contained in any future request for proposal and subsequent contract executed for the management of the property:

(A) The person or entity must be or employ a Class A PGA Member (“Pro”) to manage each Metro-owned public golf course. In the event that a Request for Proposal (RFP) is solicited from Metro Louisville for the management of its courses, PGA Professionals shall be provided the opportunity to submit proposals on individual Metro-owned public golf courses;

(B) The person or entity may only manage one Metro-owned golf course at a time - unless there is a death or separation of employment and another Pro fills in on an interim basis during the transition period to keep the Metro-owned golf course open while Metro seeks to fill the vacant position;

(C) The person or entity may not manage another competing course, whether private or semi-private, while maintaining a contract to manage a Metro-owned public golf course;

(D) The person or entity shall employ staff to manage the clubhouse, concession stand, and golf carts as well as hold all applicable licenses and certifications (Liquor license, insurance, Health Department, Revenue Commission, etc.).

(E) The person or entity may close the course during the months of December, January, and February with the exception of Seneca, Vettiner, Iroquois and Quail Chase all of which are to remain open during the Winter Season. Metro Parks will require that a minimum of four Metro-owned courses shall remain open those three (3) months.

(F) The person or entity shall provide quarterly reports for each golf course to the Parks and Sustainability Committee of the Metro Council, or its successor. Reports shall, at a minimum, include the following:

(1) Hours of operation;

(2) Rounds of golf played;

(3) Revenue from all sources;

(4) Number of reservations;

(5) Number of passes used;

(6) Number of scrambles benefiting non-profits played at each course; and

(7) All costs associated with maintaining greens and grounds.

(G) If applicable, the preferences for local businesses as set forth in LMCO §§ 37.01-04 shall be observed in the consideration of bids on the management of Metro-owned golf courses.

(H) A new RFP shall be required every five (5) years for each golf course. An exception shall be provided if a person or entity is provided a two (2) year extension.

(I) No Metro-owned golf course shall remain closed, temporarily or otherwise, due to a lack of a contract with a private entity or person. If, for any period of time, a golf course lacks private management then Metro Parks shall manage and maintain the course until a suitable management contract is in place.
