Major Bogan, Lieut. McGaha –

Is your office aware or receiving complaints on homeless camps along the ditch behind Mamaroneck Road? We have had a call about this and before responding I wanted to check with your office on any information.

We also were told of problems on Lisbon Lane and at the Whitehall apartment complex. Our last Crime notifications email was on August 27.

Any response is appreciated.

Major Bogan –

To follow-up on our discussion from earlier this week, Brent has agreed to use \$15,000.00 in 26th District Neighborhood Development Funds to address the issues we covered in our phone call.

I will soon be submitting the paperwork for introduction at the October 10, 2019 Council meeting. The item will then be heard at the subsequent Appropriations Committee meeting on Wednesday, October 16, 2019.

The item will be titled as we described to give you broad discretion in applying the funds for use, with the knowledge that we are currently concerned about the areas particularly along Hikes Lane from Goldsmith east to Breckenridge.

LaTonya –

The appropriation is to be used at the Major's discretion, which may be for overtime to address additional staffing issues at certain hours, or may be to bring in specific officers from special units to address trending crimes at a particular location within the council district. This was a decision made after a long telephone discussion with the Division Major as to how best financially to address certain problems.

Thank you.
