#### Please submit the completed application along with the following items:

#### **Required for every application:**

- □ Land Development Report<sup>1</sup>
- Current photographs showing building front, specific project area, and surrounding buildings
- Elevations, pictures, samples, brochures, or other technical data describing materials, such as windows, doors, roofing, fencing, etc. to be used in the renovation or replacement

Site and Project plan: (required for building additions, new structures and fencing)

- Site plan *drawn to scale* with dimensions, as applies to the project, indicating property lines, structures, landscaping, fencing, and parking
- Floor plans drawn to scale with dimensions and each room labeled
- Elevation drawings (a drawing showing exterior walls) drawn to scale with dimensions. For fencing, only photos/drawings of the proposed fence are required.

#### **Committee Review Only**

Committee reviews may be required due to the complexity of the case. The necessity of these items will be determined by staff upon review. Projects requiring committee level review include construction of new buildings, demolition, and projects that vary widely from design guidelines.

- □ Two sets of 11"x17" format site plans drawn to scale with dimensions
- □ Two sets of 11"x17" elevation drawings to scale with dimensions
- Two sets of 11"x17" landscaping drawings to scale with dimensions
- One set of mailing label sheets for: 1<sup>st</sup> tier Adjoining Property Owners (APOs)<sup>3</sup>, owners, applicants, contacts, and Case Manager. Applicant is responsible for mailing.
- □ One copy of the mailing label sheets

#### **Definitions:**

**Certificate of Appropriateness:** A project involving physical changes to the exterior of a building, structure, or property designated as a local landmark or located within a local preservation district shall require prior approval in the form of a Certificate of Appropriateness. An approval requires substantial conformance to design guidelines established for each landmark and district. The design guidelines, along with other information regarding local preservation districts, may be found at the website of the Landmarks and Preservation Districts Commission: https://louisvilleky.gov/government/planning-design/historic-preservation-landmarks-and-overlay-districts

**Overlay District Permit:** A project involving physical changes to the exterior of a building, structure, or property within an overlay district shall require prior approval in the form of an Overlay Permit. An approval requires substantial conformance to design guidelines established for each overlay district. The design guidelines, along with other information regarding overlay districts, may be found at the following website:
