Hey Zach!	
I hope you're having a good morning.	
In response to your request for justification of the waiver of the 600 foot rule on my application for a CUP, I provide the following:	
 This property is located on a busy highway in a highly commercial corridor and not in a neighborhood per se. I have already received approval for a non conforming use that almost makes this a commercial property. This property was used as a Dental office since the 1950's. 	
Hopefully these 3 points will suffice, but I will be there on 12/2 to answer any questions that may arise.	
Thanks for all of your help!!
