Project Name: Lofts on Ormsby (Previously Known as Park Chateau Apartments)

Project Address / Parcel ID: 512 W. Ormsby Ave

Total Acres: .7947

Project Cost (exterior only): _____ PVA Assessed Value: \$4,681,120

Existing Sq Ft: 81,756 New Construction Sq Ft: 81,756 Height (Ft): _____ Stories: 7

Project Description (use additional sheets if needed):

Lofts on Ormsby, formerly know as Park Chateau Apartments, was originally built in 1950 as a hotel. The property was converted to apartments during the 1980s and very little capital has been invested in the building since that time. The property was purchased by an affiliate of Denton Floyd Real Estate Group, a Louisville based developer, in March of 2019 and is currently under going \$2.5 million in renovations. The renovations will include the following upgrades: (i) Renovation of all 128 units in the building; (ii) New flooring and paint in the common areas; (iii) Upgraded security throughout the building; (iv) Building a community room, fitness center, bike storage/repair room, and dog spa in the building; (v) Renovating the pool which has been inoperable since 1987; and (vi) Significant replacement and repair of several brick areas on the exterior of the building.

It is the extent of the brickwork required in addition to the age of the original brick that we are requesting to paint the exterior of the building upon completion of the brickwork. The attached quote from Marr Company, Inc. details the scope of work required to repair the exterior brick on the building. Due the the age of the building, we are unable to find bricks that will match the original brick. Due the number of bricks that will be replaced, we feel as though leaving the bricks unpainted will be aesthetically unpleasant in this historic neighborhood. We believe painting the building after the brickwork is complete will enhance the aesthetics of the building façade and will provide a better fit with the surrounding buildings.

Hey Jody and Clayton,

The addresses are:

422 W. Ormsby Ave.
1212 Garvin Pl.
1300 S. 6th
1236 and 1232 Garvin Pl. (two in one picture)
612 W. Ormsby

The yellow house had no address, but was across from/near 612 W. Ormsby. It should be in the low 30s or high 20s, as the street counted back from 639 at the corner of 7th. Ormsby has a tendency to have the houses take up two lots, or skip a number.

I'll send 410 in a separate email since it is on my phone.
