Keep Stone Bluff Safe - Say No to Connecting Road Access

About this petition

Dear Neighbors,

There is a plan to build a 192 unit apartment building that would connect to Ridge Creek Rd and therefore to our Stone Bluff neighborhood. There are many reasons not to want to connect the apartment building road and their access to our neighborhood, and we are asking if you support or agree with this, to please sign our petition, to be presented to the city planners before the next city planning meeting on November 14th. More info below.

Reasons to say NO to the proposal to connect the road:

- 1) There is already a second emergency road for access to the neighborhood
- 2) One main entrance to the neighborhood prevents crime and promotes safety
- 3) Less traffic means less noise and trash/littering
- 4) Property values (current and future)
- 5) Environmental impact

Actions to make your voice heard:

-Email the case manager: dante.st.germain@louisvilleky.gov and say you are against connecting Ridge Creek Rd. Also, email/call Madonna Flood at Metro Council

-Attend the meeting Nov 14, 1pm, 514 W. Liberty St 40202 (Old Jail Bldg)

-Make your neighbors aware of the situation and ask them to email and also sign this petition. (Note on the petition: Each individual must sign his/her own name. Entries such as "Mr. & Mrs. Jones" would be counted as only one name.)

There are 174 households in our Stone Bluff/Quail Ridge neighborhood, let's get the word out to have everyone sign! This affects all of us and we need to make our voices heard! This affects all of us and we need to make our voices heard!

Other contacts and info:
