

**DEPARTMENT OF PUBLIC WORKS AND ASSETS**

LOUISVILLE, KENTUCKY

**GREG FISCHER**

MAYOR

**VANESSA D. BURNS**

Director

2/11/2020

Public Works supports the transfer in ownership of North Chadwick Road (CR-1029), between Shelbyville Road (US 60) and Whipps Mill Road (CR-1005), from Louisville Metro County Thru Road to the City of Bellemeade. North Chadwick Rd functions primarily as a direct connection to abutting residential property within the City of Bellemeade.

Since this road will remain open and available to the public, no additional engineering or traffic investigation is required to justify this change in ownership. A review of the current roadway network and connectivity provided throughout this area, adequate accommodations for all modes of transportation is being provided.

Sincerely,

Jeffrey Brown, PE  
Assistant Director  
Public Works & Assets
