SECTION 3 - AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

a Mission

The Little Sisters extend care, compassion and respect to the elderly, in helping them to maintain dignity and a feeling of well-being. The Little Sisters welcome all elderly, age 65 years and older with limited financial means, regardless of race, national origin, religion, age or gender to become a Resident of St. Joseph's Home or to participate in the Senior Day Center.

b. History

In 1868, the Little Sisters established the first U.S. Homes. Father Earnest Lelievre, a priest who dedicated his life to this young Congregation, sailed to America in May 1868. A mere 8 months later, the first Home of the Little Sisters was opened in Louisville, Kentucky. This Home at 622 South 10th Street was in operation from 1869 through 1977. The Home was finally closed due to severe structural problems. The Little Sisters were sorely missed in the Louisville community and with an outpouring of love, a group formed to raise funds to build a new Home and bring the Little Sisters back. The current Home was built in 1991 and the Little Sisters returned to Louisville.

c. Current programs and/or activities

The sole purpose of the Little Sisters of the Poor is serving the needs of the elderly poor in the Louisville Metropolitan area. Quality care is provided to 77 residents (with an average age of 84 1/2years) who are without the means, family or social support to maintain independence in the community. The continuum of services permits a sense of security throughout their life. In Louisville, our services include a 50-bed nursing home with three levels of care, a 27-unit apartment building for the elderly and a Senior Day Center. The Senior Day Center is open to needy elderly in the community as well as those living at St. Joseph's Home.

Levels of care are:

Apartment Living - Offered to the needy elderly who are still able to live independently. Rent is based on income.

Personal Care - for the ambulatory senior who desires minimal assistance while still being able to perform basic tasks of daily personal care independently (dressing, bathing, etc.)

Nursing Care - (assisted and skilled care), for those residents who need more extensive nursing care and assistance with their daily needs.

The Little Sisters not only provide a comfortable home and nutritious meals for impoverished seniors, they care for the whole person by offering: medical and nursing services, pastoral services, social services, an extensive activity program, Senior Day Center, beauty shop and barber shop services ans as needed physical and occupational therapies.

d. Accomplishments

St. Joseph's Home has provided a safe haven for over 6500 of the poorest elderly in the Louisville area in the last 150 years. Although, St. Joseph's Home is open to all regardless of race, religion, gender or nationality, as Little Sisters of the Poor, the Sisters take vows of Chasity, Poverty and Obedience as do many of other religious orders; the Little Sister of the Poor take a fourth vow of Hospitality which guides their profound respect for life. It is through this respect, that the Little Sisters take turns as to never leave a resident who is in the final stage of life. Offering the resident and their family comfort and prayer on the Resident's final days as they journey toward eternal life.

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:
Many of the Residents have outlived their family members or do not have the financial or social support to live on their own. Many come from unsafe environments, where they may not be receiving the proper nutrition and medical attention. Living at St. Joseph's Home provides that for them and much more. The activities are designed to foster interaction among the Residents which leads to lasting friendships. Unless they are ill, all the Residents eat together in a dining room where they are served three meals a day plus snacks; this is also community building. One of the indicators used by St. Joseph's Home is daily charting. Residents are asked a series of questions each day and their responses are recorded. Some of the questions are their desire to participate in activities, how they are feeling, how did they rest the night before etc. As Residents become acclimated to their new home it becomes apparent in their attitude, appetite, and interest in activity that they feel safe and well cared for.
F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.
None - does not apply.

Dear Sir/Madam:

This responds to your May 23, 2016, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2016*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2016* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Jeffrey I. Cooper

Dear Ms. Dessingue:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* 1946, are entitled to exemption from federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1986 Code. This ruling has been updated annually to cover the activities added to or deleted from the Directory.

The Official Catholic Directory for 2002 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 2002 are exempt from federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers or gifts to them or for their use are deductible for federal estate and gift tax purposes under sections 1055, 2106, and 2522 of the Code.

IMPORTANT GROUP RULING INFORMATION

June 19, 2002

FOR THE INFORMATION OF:

Most Reverend Archbishops and Bishops, Diocesan

Attorneys and Fiscal Managers, and State Conference

Directors

SUBJECT:

2002 Group Ruling

FROM:

Mark E. Chopko, General Counsel,

(Staff: Deirdre Dessingue, Associate General Counsel)

Enclosed is a copy of the Group Ruling issued to the United States Conference of Catholic Bishops^{1/2} on June 4, 2002 by the Internal Revenue Service ("IRS"), with respect to the federal tax status of Catholic organizations listed in the 2002 edition of the Official Catholic Directory ("OCD")^{2/2}. As explained in greater detail below, this ruling is important for establishing:

- (1) the exemption of such organizations from:
 - (a) federal income tax;
 - (b) federal unemployment tax (but see ¶5 of "Explanation" below); and
- (2) the deductibility, for federal income, gift and estate tax purposes, of contributions to such organizations.

The 2002 Group Ruling is the latest in a series that began with the original determination of March 25, 1946. In the 1946 document, the Treasury Department affirmed the exemption from federal income tax of all Catholic institutions listed in the OCD for that year. Each year since 1946, in a separate letter, the 1946 ruling has been extended to cover the institutions listed in the current OCD³. The language of these rulings has remained relatively unchanged, except to reflect intervening modifications in the Internal Revenue Code ("Code"). The 2002 Group Ruling is consistent with the 2001 ruling.

The name of the United States Catholic Conference was changed to the United States Conference of Catholic Bishops, effective July 1, 2001.

A copy of the Group Ruling may also be found on the USCC website at www.usccb.org/ogc.

³ Catholic organizations with independent IRS exemption determination letters are listed in the 2002 OCD with an asterisk (*), which is explained at page A-11 and indicates that such organizations are **not** covered by the Group Ruling.

employee who is paid \$100 or more in a calendar year. Services performed by diocesan priests in the exercise of their ministry are not considered "employment" for FICA (Social Security) purposes, and FICA should not be withheld from their salaries. For Social Security purposes, diocesan priests are subject to self-employment tax ("SECA") on their salaries as well as on the value of meals and housing or housing allowances provided to them. Neither FICA nor income tax withholding is required on remuneration paid to religious institutes for members who are subject to vows of poverty and obedience and are employed by organizations included in the Official Catholic Directory.

7. Form 990. All organizations included in the OCD must file Form 990, Return of Organization Exempt from Income Tax, unless they are eligible for a mandatory or discretionary exception. There is no automatic exemption from the Form 990 filing requirement simply because an organization is listed in the OCD. Organizations required to file Form 990 must do so by the 15th day of the fifth month after the close of their fiscal year. Among the organizations not required to file Form 990 under section 6033 of the Code are: churches; integrated auxiliaries of churches; the exclusively religious activities of religious orders; schools below college level affiliated with a church or operated by a religious

Section 3121(w) of the Code permits certain church-related organizations to make an irrevocable election to a void p ayment of FICA taxes, but only if such organizations are opposed for religious reasons to payment of social security taxes.

⁵ I.R.C. § 3121(b)(8)(A).

⁶ I.R.C. § 1402(a)(8).

⁷ Rev. Rul. 77-290, 1977-2 C.B. 26.

The penalty for failure to file the Form 990 is \$20 for each day the failure continues, up to a maximum of \$10,000 or 5 percent of the organization's gross receipts, whichever is less. However, organizations with annual gross receipts in excess of \$1 million are subject to penalties of \$100 per day, up to a maximum of \$50,000. I.R.C. § 6652(c)(1)(A).

I.R.C. § 6033(a)(2)(A)(i); Treas. Reg. § 1.6033-2(h). Effective December 20, 1995, the internal support test formerly contained in Rev. Proc. 86-23, 1986-1 C.B. 564, is the sole test for determining whether an organization qualifies as an integrated auxiliary of a church. To qualify, an organization must be described in section 501(c)(3), qualify as other than a private foundation, be affiliated with a church, and qualify as internally supported. An organization will be considered internally supported <u>unless</u> it both:

⁽¹⁾ Offers admissions, goods, services, or facilities for sale, other than on an incidental basis, to the general public (except goods, services, or facilities sold at a nominal charge or substantially below cost), and

⁽²⁾ normally receives more than 50 percent of its support from a combination of governmental sources; public solicitation of contributions (such as through a community fund drive); and receipts from the sale of admissions, goods, performance of services, or furnishing of facilities in activities that are not unrelated trades or businesses.

all schools listed in the OCD. Diocesan or school officials should insure that the requirements of Rev. Proc. 75-50 are met since failure to do so could jeopardize the exempt status of the school and, in the case of a school operated by a church, the exempt status of the church itself.

- 9. <u>Lobbying Activities</u>. Organizations included in the OCD may lobby for changes in the law, provided such lobbying is not more than an insubstantial part of their total activities. Attempts to influence legislation both directly and through grassroots lobbying are subject to this restriction. The term "lobbying" includes activities in support of or in opposition to referenda, constitutional amendments, and similar ballot initiatives. There is no distinction between lobbying activity that is related to an organization's exempt purposes and lobbying that is not. There is no fixed percentage that constitutes a safe harbor for "insubstantial" lobbying. Please refer to your attorney any questions you may have about permissible lobbying activities.
- 10. Political Activities. Organizations included in the Group Ruling may not participate or intervene in any political campaign on behalf of or in opposition to any candidate for public office. Violation of the prohibition against political activity can jeopardize the organization's tax-exempt status. In addition to revoking exempt status, IRS may also impose excise taxes on an exempt organization and its managers on account of political expenditures. Where there has been a flagrant violation, IRS has authority to seek an injunction against the exempt organization and immediate assessment of taxes due. If you have any questions in this regard, please refer them to your attorney. (See OGC Memo dated February 29, 2000, which is available at www.usccb.org/ogc.)
- 11. <u>Public Charity Status</u>. The latest Group Ruling affirms that organizations included in the OCD are <u>not</u> private foundations under section 509(a) of the Code. However, the Group Ruling does not identify the subsection of section 509(a) under which a particular organization is classified as a public charity. Organizations must determine for themselves whether they qualify for such status under the provisions of section 509(a)(1), (a)(2) or (a)(3). Newly-created or newly-affiliated organizations must establish that they are not private foundations as a condition of inclusion in the Group Ruling and OCD.
- 12. <u>Group Exemption Number</u>. The group exemption number assigned to USCC is 928 or 0928. *This number must be included on each Form 990, Form 990-T, and Form 5578 required to be filed by any organization exempt under the Group Ruling. We recommend against using the group exemption number on Form SS-4, Request for Employer Identification Number, because in the past this has resulted in IRS including USCCB as part of the organization's name when it enters the organization in its database.*

If you have questions concerning the Group Ruling or this memorandum, please contact Deirdre Dessingue at 202-541-3300 or by e-mail at ddessingue@usccb.org.

IRS has expressed concern about organizations covered under the Group Ruling that fail to include the group exemption number, 0928, on their Form 990 filings, particularly the initial filing.

Independent Auditor's Report

Board of Directors St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc. Louisville, Kentucky

We have audited the accompanying financial statements of St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc., which comprise the balance sheets as of December 31, 2017 and 2016, and the related statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements December 31, 2017 and 2016

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc. (Home) primarily earns revenues by providing nursing care services and an apartment living facility to low income, elderly residents in Louisville, Kentucky.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Home considers all liquid investments with original maturities of three months or less to be cash equivalents.

Assets Limited as to Use

Assets limited as to use include assets restricted by donors and assets set aside by the board of directors (Board) for future capital improvements over which the Board retains control and may at its discretion subsequently use for other purposes. Amounts required to meet current liabilities of the Home are included in current assets. Assets limited as to use consist of cash at December 31, 2017 and 2016.

Patient Accounts Receivable

The Home reports patient accounts receivable for services rendered at net realizable amounts from third-party payors, patients and others. The Home provides an allowance for doubtful accounts based upon a review of outstanding receivables, historical collection information and existing economic conditions. As a service to the patient, the Home bills third-party payors directly and bills the patient when the patient's liability is determined. Patient accounts receivable are due in full when billed. Accounts are considered delinquent and subsequently written off as bad debts based on individual credit evaluation and specific circumstances of the account.

Property and Equipment

Property and equipment are recorded at cost and are depreciated using the straight-line method over the estimated useful life of each asset.

Notes to Financial Statements December 31, 2017 and 2016

The estimated useful lives for each major depreciable classification of property and equipment are as follows:

Buildings and improvements	5–40 years
Equipment	3–10 years

Donations of property and equipment are reported at fair value as an increase in unrestricted net assets unless use of the assets is restricted by the donor. Monetary gifts that must be used to acquire property and equipment are reported as restricted support. The expiration of such restrictions is reported as an increase in unrestricted net assets when the donated asset is placed in service.

Long-Lived Asset Impairment

The Home evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimate future cash flows expected to result from the use and eventual disposition of the asset is less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds its fair value.

No asset impairment was recognized during the years ended December 31, 2017 and 2016.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by the Home has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by the Home in perpetuity.

Temporarily restricted net assets consisted of amounts restricted by donors for equipment purchases, contributions receivable and a remainder trust at December 31, 2017 and 2016, as follows:

	2017	2016
Time restrictions		
Contribution receivable	\$ -	\$ 104,150
Remainder trust	1,830,216	1,645,862
Purpose restrictions		
Equipment purchases	150,531	150,531
	\$ 1,980,747	\$ 1,900,543

Notes to Financial Statements December 31, 2017 and 2016

Net Patient Service Revenue

The Home has agreements with third-party payors that provide for payments to the Home at amounts different from its established rates. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered and include estimated retroactive revenue adjustments. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered and such estimated amounts are revised in future periods, as adjustments become known.

Rental Revenue

Rental revenue related to apartment leasing is recognized on the straight-line basis over the term of the agreement. Any amounts received in advance are recorded as unearned revenue.

Contributions

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are initially reported at fair value determined using the discounted present value of estimated future cash flows technique. The resulting discount is amortized using the level-yield method and is reported as contribution revenue.

Gifts received with donor stipulations are reported as either temporarily or permanently restricted. When a donor restriction expires, that is, when a time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified and reported as an increase in unrestricted net assets. Donor-restricted contributions whose restrictions are met within the same year as received are reported as unrestricted contributions. Conditional contributions are reported as liabilities until the condition is eliminated or the contributed assets are returned to the donor.

Conditional gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenue when the conditions are substantially met and the gift becomes unconditional.

Notes to Financial Statements December 31, 2017 and 2016

Contributed Services

Contributions of services are recognized as revenue at their estimated fair values only when the services received create or enhance nonfinancial assets or require specialized skill possessed by the individuals providing the service and the service would typically need to be purchased, if not donated. Contribution revenue for the years ended December 31, 2017 and 2016, recognized from contributed services consisted of:

	2017		2016	
General and administrative activities Health care services	\$	80,000 120,000	\$	100,000 125,000
	\$	200,000	\$	225,000

Professional Liability Claims

The Home recognizes an accrual for claim liabilities based on estimated ultimate losses and costs associated with settling claims and a receivable to reflect the estimated insurance recoveries, if any. Professional liability claims are described more fully in Note 8.

Income Taxes

The Home has been recognized as exempt from income taxes under Section 501 of the Internal Revenue Code and a similar provision of state law. However, the Home is subject to federal income tax on any unrelated business taxable income. The Home files tax returns in the U.S. federal jurisdiction.

Note 2: Net Patient Service Revenue

The Home has agreements with third-party payors that provide for payments to the Home at amounts different from its established rates.

These payment arrangements include revenues from Medicare and Medicaid. The amounts of service revenues are determined by a number of factors, including the number of licensed beds and occupancy rates of the Home, the acuity levels of patients and the rates of reimbursement among payors.

Notes to Financial Statements December 31, 2017 and 2016

Approximately 99% and 90% of net patient service revenue is from participation in the Medicare and state-sponsored Medicaid programs for the years ended December 31, 2017 and 2016, respectively. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation and changes. As a result, it is reasonably possible that recorded estimates will change materially in the near term.

The Home has also entered into payment agreements with certain managed care organizations and other third-party payors.

Note 3: Concentration of Credit Risk

Accounts Receivable

The Home grants credit without collateral to its patients, most of whom are area residents and are insured under third-party payor agreements. The mix of net receivables from patients and third-party payors at December 31, 2017 and 2016, was:

	2017	2016
Medicare	37%	41%
Medicaid	62%	58%
Other third-party payors and patients	1%	1%
	100%	100%

Note 4: Beneficial Interest in Trusts (Restated – Note 13)

The Home is the beneficiary under perpetual trusts and one remainder trust administered by outside parties. Under the terms of the perpetual trusts, the Home has the irrevocable right to receive income earned on the trust assets in perpetuity, but never receives the assets held in trust. At the date the Home receives notice of a beneficial interest, a contribution with donor restrictions of a perpetual nature is recorded in the statements of operations and changes in net assets, and a beneficial interest in perpetual trust is recorded in the balance sheets at the fair value of the underlying trust assets. Thereafter, beneficial interests in the trusts are reported at the fair value of the trusts' assets in the balance sheets, with trust distributions and changes in fair value recognized in the statements of operations and changes in net assets. The estimated value of the expected future cash flows is \$1,808,376 and \$1,661,102, which represents the fair value of the trust assets at December 31, 2017 and 2016, respectively. The income from these trusts for 2017 and 2016 was \$83,074 and \$87,668, respectively.

Notes to Financial Statements December 31, 2017 and 2016

Under the terms of the remainder trust, the specified beneficiaries receive distributions of the trust's net income during their lives and, upon the deaths of all beneficiaries, the Home receives the remainder of the trusts' assets. As each beneficiary expires, the Home receives that beneficiary's right to receive net income distributions. The estimated value of the expected future cash flows is \$1,830,216 and \$1,645,862, which represents the fair value of the trust assets at December 31, 2017 and 2016, respectively. The income from these trusts for 2017 and 2016 was \$4,559 and \$4,570, respectively.

Note 5: Long-Term Debt

The Home has various uncollateralized notes payable with Little Sisters of the Poor Chicago Province, Inc. (Province), which is an organization related to the Home. The notes payable each include interest at 3% that is due at maturity of the note. The balances as of December 31 are as follows:

	2017	2016
Note payable, Province (due September 12, 2020) Note payable, Province (A)	\$ 1,750,000 200,000	\$ 1,750,000 200,000
Note payable, Province (B)	500,000	500,000
Note payable, Province (C) Note payable, Province (due April 7, 2022)	800,000 300,000	800,000
	\$ 3,550,000	\$ 3,250,000

- (A) Subsequent to year-end, the Home amended the note payable to extend the maturity date from March 21, 2018, to March 21, 2023.
- (B) Subsequent to year-end, the Home amended the note payable to extend the maturity date from June 17, 2018, to June 17, 2023.
- (C) Subsequent to year-end, the Home amended and consolidated four notes payable with various maturity dates in 2019 to one note payable with an extended maturity date of December 31, 2024.

Aggregate annual maturities of long-term debt at December 31, 2017, are:

2018	\$ -
2019	-
2020	1,750,000
2021	-
2022	300,000
Thereafter	1,500,000
	\$ 3,550,000

Notes to Financial Statements December 31, 2017 and 2016

Note 6: Functional Expenses

The Home provides health care services primarily to residents within its geographic area. Expenses related to providing these services are as follows:

	2017	2016
Health care services General and administrative Fundraising	\$ 5,009,856 868,275 51,127	\$ 4,591,261 872,256 51,776
	\$ 5,929,258	\$ 5,515,293

Note 7: Pension Plan

The Home participates in the Christian Brothers Employee Retirement Plan, a multiemployer defined benefit pension plan that covers substantially all of its employees. The Home contributed approximately \$70,000 and \$68,000 to the plan in 2017 and 2016, respectively, which was included in employee benefits as pension expense in the statements of operations and changes in net assets.

The Home participates in the Christian Brothers Retirement Savings Plan, a defined contribution pension plan covering substantially all employees. There was no pension expense associated with this plan for the years ended December 31, 2017 and 2016.

Note 8: Medical Malpractice Costs

The Home purchases medical malpractice insurance under a claims-made policy on a fixed premium basis. Accounting principles generally accepted in the United States of America require a health care provider to accrue the expense of its share of malpractice claim costs, if any, for any reported and unreported incidents of potential improper professional service occurring during the year, by estimating the probable ultimate costs of the incidents. Based upon the Home's claim experience, no such accrual has been made. It is reasonably possible that this estimate could change materially in the near term.

Notes to Financial Statements December 31, 2017 and 2016

Note 9: Significant Estimates and Concentrations

Accounting principles generally accepted in the United States of America require disclosure of certain significant estimates and current vulnerabilities due to certain concentrations. Those matters include the following:

Allowance for Net Patient Service Revenue Adjustments

Estimates of allowances for adjustments included in net patient service revenue are described in Notes 1 and 2.

Medical Malpractice Claims

Estimates related to the accrual for medical malpractice claims are described in Notes 1 and 8.

Litigation

In the normal course of business, the Home is, from time to time, subject to allegations that may or do result in litigation. Some of these allegations are in areas not covered by the Home's commercial insurance; for example, allegations regarding employment practices or performance of contracts. The Home evaluates such allegations by conducting investigations to determine the validity of each potential claim. Based upon the advice of counsel, management records an estimate of the amount of ultimate expected loss, if any, for each of these matters. Events could occur that would cause the estimate of ultimate loss to differ materially in the near term.

Note 10: Subsequent Events

Subsequent events have been evaluated through February 7, 2019, which is the date the financial statements were available to be issued. Subsequent to year-end, the Province issued four uncollateralized notes payable to the Home for a total of \$1.1 million. The notes payable each include interest at 3% that is due at the maturity of the note. The notes mature between January and October 2023.

Note 11: Future Changes in Accounting Principles

Revenue Recognition

The Financial Accounting Standards Board (FASB) amended its standards related to revenue recognition. This amendment replaces all existing revenue recognition guidance and provides a single, comprehensive revenue recognition model for all contracts with customers. The guidance provides a five-step analysis of transactions to determine when and how revenue is recognized. Other major provisions include capitalization of certain contract costs, consideration of the time value of money in the transaction price and allowing estimates of variable consideration to be recognized before contingencies are resolved in certain circumstances. The amendment also requires additional disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in those judgments and assets recognized from costs incurred to fulfill a contract. The standard allows either full or modified retrospective adoption effective for annual periods beginning after December 15, 2018, for nonpublic entities, such as the Home. The Home is in the process of evaluating the impact the amendment will have on the financial statements.

Presentation of Financial Statements for Not-for-Profit Entities

FASB recently issued Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*, which changes requirements for financial statements and notes of all not-for-profit (NFP) entities and is effective for fiscal years beginning after December 15, 2017.

A summary of the changes by financial statement area most relevant to the Home are as follows:

Balance Sheets

• The balance sheets will distinguish between two new classes of net assets – those with donor-imposed restrictions and those without. This is a change from the previously required three classes of net assets – unrestricted, temporarily restricted and permanently restricted.

Statements of Operations and Changes in Net Assets

- Expenses are reported by both nature and function in one location.
- Investment income is shown net of external and direct internal investment expenses.
 Disclosure of the expenses netted against investment income is no longer required.

Notes to Financial Statements December 31, 2017 and 2016

Notes to Financial Statements:

- Enhanced quantitative and qualitative disclosures provide additional information useful in assessing liquidity and cash flows available to meet operating expenses for one year from the date of the statement of financial position.
- Amounts and purposes of governing board designations and appropriations as of the end
 of the period are disclosed.

The Home is in the process of evaluating the impact the amendment will have on the financial statements.

Statement of Cash Flows: Restricted Cash

FASB recently issued ASU No. 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*, which changes requirements for financial statement and notes of all entities who are required to present a Statement of Cash Flows under Topic 230 and have restricted cash and is effective for fiscal years beginning after December 15, 2019.

The ASU requires entities to include restricted cash and restricted cash equivalents with cash and cash equivalents when reconciling beginning-of-period and end-of-period total cash in the statement of cash flows. The ASU requires disclosure of information about the nature of restrictions on cash, cash equivalents and restricted cash balances.

Note 12: Management's Consideration of Going Concern Matters

The Home has incurred recurring losses and negative cash flows from operations. Over the past year, the Home's operations have been funded through financing from the Province. As of December 31, 2017, the Home had approximately \$27,000 of unrestricted cash.

The Home has retained an outside billing company to improve billing and collections. The Home also has extended the maturity dates of certain notes payable through the Province (see Note 5).

The accompanying financial statements have been prepared assuming that the Home will continue as a going concern; however, the above conditions raise substantial doubt about the Home's ability to do so. The financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classifications of liabilities that may result should the Home be unable to continue as a going concern.

Notes to Financial Statements December 31, 2017 and 2016

Note 13: Restatement of Prior Year's Financial Statements

The 2016 financial statements have been restated to correct two errors. During 2017, the Home discovered that a certain gift bequest was not properly recorded within the December 31, 2016, financial statements as a receivable and contribution revenue. The 2016 change in net assets increased by \$104,150 in connection with this correction. In addition, the classification of a certain beneficial interest in trust has been corrected from permanently restricted to temporarily restricted in accordance with the terms of the trust agreement. There was no impact to the 2016 change in net assets for this correction in classification.

The following financial statements line items for 2016 were affected by these corrections:

Dear Sir/Madam:

This responds to your May 23, 2016, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2016*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2016* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Jeffrey I. Cooper

Dear Ms. Dessingue:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* 1946, are entitled to exemption from federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1986 Code. This ruling has been updated annually to cover the activities added to or deleted from the Directory.

The Official Catholic Directory for 2002 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 2002 are exempt from federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers or gifts to them or for their use are deductible for federal estate and gift tax purposes under sections 1055, 2106, and 2522 of the Code.

IMPORTANT GROUP RULING INFORMATION

June 19, 2002

FOR THE INFORMATION OF:

Most Reverend Archbishops and Bishops, Diocesan

Attorneys and Fiscal Managers, and State Conference

Directors

SUBJECT:

2002 Group Ruling

FROM:

Mark E. Chopko, General Counsel

(Staff: Deirdre Dessingue, Associate General Counsel)

Enclosed is a copy of the Group Ruling issued to the United States Conference of Catholic Bishops¹ on June 4, 2002 by the Internal Revenue Service ("IRS"), with respect to the federal tax status of Catholic organizations listed in the 2002 edition of the Official Catholic Directory ("OCD")². As explained in greater detail below, this ruling is important for establishing:

- (1) the exemption of such organizations from:
 - (a) federal income tax;
 - (b) federal unemployment tax (but see ¶5 of "Explanation" below); and
- the deductibility, for federal income, gift and estate tax purposes, of contributions to such organizations.

The 2002 Group Ruling is the latest in a series that began with the original determination of March 25, 1946. In the 1946 document, the Treasury Department affirmed the exemption from federal income tax of all Catholic institutions listed in the OCD for that year. Each year since 1946, in a separate letter, the 1946 ruling has been extended to cover the institutions listed in the current OCD³/. The language of these rulings has remained relatively unchanged, except to reflect intervening modifications in the Internal Revenue Code ("Code"). The 2002 Group Ruling is consistent with the 2001 ruling.

The name of the United States Catholic Conference was changed to the United States Conference of Catholic Bishops, effective July 1, 2001.

² A copy of the Group Ruling may also be found on the USCC website at www.usccb.org/ogc.

³ Catholic organizations with independent IRS exemption determination letters are listed in the 2002 OCD with an asterisk (*), which is explained at page A-11 and indicates that such organizations are **not** covered by the Group Ruling.

employee who is paid \$100 or more in a calendar year. Services performed by diocesan priests in the exercise of their ministry are not considered "employment" for FICA (Social Security) purposes, and FICA should not be withheld from their salaries. For Social Security purposes, diocesan priests are subject to self-employment tax ("SECA") on their salaries as well as on the value of meals and housing or housing allowances provided to them. Neither FICA nor income tax withholding is required on remuneration paid to religious institutes for members who are subject to vows of poverty and obedience and are employed by organizations included in the Official Catholic Directory.

7. Form 990. All organizations included in the OCD must file Form 990, Return of Organization Exempt from Income Tax, unless they are eligible for a mandatory or discretionary exception. There is no automatic exemption from the Form 990 filing requirement simply because an organization is listed in the OCD. Organizations required to file Form 990 must do so by the 15th day of the fifth month after the close of their fiscal year. Among the organizations not required to file Form 990 under section 6033 of the Code are: churches; integrated auxiliaries of churches the exclusively religious activities of religious orders; schools below college level affiliated with a church or operated by a religious

Section 3121(w) of the Code permits certain church-related organizations to make an irrevocable election to a void p ayment of FICA taxes, but only if such organizations are opposed for religious reasons to payment of social security taxes.

The penalty for failure to file the Form 990 is \$20 for each day the failure continues, up to a maximum of \$10,000 or 5 percent of the organization's gross receipts, whichever is less. However, organizations with annual gross receipts in excess of \$1 million are subject to penalties of \$100 per day, up to a maximum of \$50,000. I.R.C. § 6652(c)(1)(A).

I.R.C. § 6033(a)(2)(A)(i); Treas. Reg. § 1.6033-2(h). Effective December 20, 1995, the internal support test formerly contained in Rev. Proc. 86-23, 1986-1 C.B. 564, is the sole test for determining whether an organization qualifies as an integrated auxiliary of a church. To qualify, an organization must be described in section 501(c)(3), qualify as other than a private foundation, be affiliated with a church, and qualify as internally supported. An organization will be considered internally supported unless it both:

⁽¹⁾ Offers admissions, goods, services, or facilities for sale, other than on an incidental basis, to the general public (except goods, services, or facilities sold at a nominal charge or substantially below cost), and

⁽²⁾ normally receives more than 50 percent of its support from a combination of governmental sources; public solicitation of contributions (such as through a community fund drive); and receipts from the sale of admissions, goods, performance of services, or furnishing of facilities in activities that are not unrelated trades or businesses.

all schools listed in the OCD. Diocesan or school officials should insure that the requirements of Rev. Proc. 75-50 are met since failure to do so could jeopardize the exempt status of the school and, in the case of a school operated by a church, the exempt status of the church itself.

- 9. <u>Lobbying Activities</u>. Organizations included in the OCD may lobby for changes in the law, provided such lobbying is not more than an insubstantial part of their total activities. Attempts to influence legislation both directly and through grassroots lobbying are subject to this restriction. The term "lobbying" includes activities in support of or in opposition to referenda, constitutional amendments, and similar ballot initiatives. There is no distinction between lobbying activity that is related to an organization's exempt purposes and lobbying that is not. There is no fixed percentage that constitutes a safe harbor for "insubstantial" lobbying. Please refer to your attorney any questions you may have about permissible lobbying activities.
- 10. Political Activities. Organizations included in the Group Ruling may not participate or intervene in any political campaign on behalf of or in opposition to any candidate for public office. Violation of the prohibition against political activity can jeopardize the organization's tax-exempt status. In addition to revoking exempt status, IRS may also impose excise taxes on an exempt organization and its managers on account of political expenditures. Where there has been a flagrant violation, IRS has authority to seek an injunction against the exempt organization and immediate assessment of taxes due. If you have any questions in this regard, please refer them to your attorney. (See OGC Memo dated February 29, 2000, which is available at www.usccb.org/ogc.)
- 11. <u>Public Charity Status</u>. The latest Group Ruling affirms that organizations included in the OCD are <u>not</u> private foundations under section 509(a) of the Code. However, the Group Ruling does not identify the subsection of section 509(a) under which a particular organization is classified as a public charity. Organizations must determine for themselves whether they qualify for such status under the provisions of section 509(a)(1), (a)(2) or (a)(3). Newly-created or newly-affiliated organizations must establish that they are not private foundations as a condition of inclusion in the Group Ruling and OCD.
- 12. <u>Group Exemption Number</u>. The group exemption number assigned to USCC is 928 or 0928. *This number must be included on each Form 990, Form 990-T, and Form 5578 required to be filed by any organization exempt under the Group Ruling.* We recommend *against* using the group exemption number on Form SS-4, Request for Employer Identification Number, because in the past this has resulted in IRS including USCCB as part of the organization's name when it enters the organization in its database.

If you have questions concerning the Group Ruling or this memorandum, please contact Deirdre Dessingue at 202-541-3300 or by e-mail at ddessingue@usccb.org.

IRS has expressed concern about organizations covered under the Group Ruling that fail to include the group exemption number, 0928, on their Form 990 filings, particularly the initial filing.

Independent Auditor's Report

Board of Directors
St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc. Louisville, Kentucky

We have audited the accompanying financial statements of St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc., which comprise the balance sheets as of December 31, 2017 and 2016, and the related statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc. as of December 31, 2017 and 2016, and the results of its operations, changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters

The accompanying financial statements have been prepared assuming St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc. will continue as a going concern. As discussed in Note 12, St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc. has suffered recurring losses and negative cash flows from operations, which raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 12. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

As discussed in Note 13 to the financial statements, the 2016 financial statements have been restated to correct misstatements. Our opinion is not modified with respect to this matter.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of balance sheet information by operation and schedule of statement of operations and changes in net assets information by operation, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements December 31, 2017 and 2016

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

St. Joseph's Home for the Aged of the Little Sisters of the Poor of Louisville, Kentucky, Inc. (Home) primarily earns revenues by providing nursing care services and an apartment living facility to low income, elderly residents in Louisville, Kentucky.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Home considers all liquid investments with original maturities of three months or less to be cash equivalents.

Assets Limited as to Use

Assets limited as to use include assets restricted by donors and assets set aside by the board of directors (Board) for future capital improvements over which the Board retains control and may at its discretion subsequently use for other purposes. Amounts required to meet current liabilities of the Home are included in current assets. Assets limited as to use consist of cash at December 31, 2017 and 2016.

Patient Accounts Receivable

The Home reports patient accounts receivable for services rendered at net realizable amounts from third-party payors, patients and others. The Home provides an allowance for doubtful accounts based upon a review of outstanding receivables, historical collection information and existing economic conditions. As a service to the patient, the Home bills third-party payors directly and bills the patient when the patient's liability is determined. Patient accounts receivable are due in full when billed. Accounts are considered delinquent and subsequently written off as bad debts based on individual credit evaluation and specific circumstances of the account.

Property and Equipment

Property and equipment are recorded at cost and are depreciated using the straight-line method over the estimated useful life of each asset.

Notes to Financial Statements December 31, 2017 and 2016

The estimated useful lives for each major depreciable classification of property and equipment are as follows:

Buildings and improvements	5-40 years
Equipment	3-10 years

Donations of property and equipment are reported at fair value as an increase in unrestricted net assets unless use of the assets is restricted by the donor. Monetary gifts that must be used to acquire property and equipment are reported as restricted support. The expiration of such restrictions is reported as an increase in unrestricted net assets when the donated asset is placed in service.

Long-Lived Asset Impairment

The Home evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimate future cash flows expected to result from the use and eventual disposition of the asset is less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds its fair value.

No asset impairment was recognized during the years ended December 31, 2017 and 2016.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by the Home has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by the Home in perpetuity.

Temporarily restricted net assets consisted of amounts restricted by donors for equipment purchases, contributions receivable and a remainder trust at December 31, 2017 and 2016, as follows:

	2017	2016
Time restrictions Contribution receivable Remainder trust Purpose restrictions	\$ - 1,830,216	\$ 104,150 1,645,862
Equipment purchases	150,531	150,531
	\$ 1,980,747	\$ 1,900,543

Notes to Financial Statements December 31, 2017 and 2016

Net Patient Service Revenue

The Home has agreements with third-party payors that provide for payments to the Home at amounts different from its established rates. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered and include estimated retroactive revenue adjustments. Retroactive adjustments are considered in the recognition of revenue on an estimated basis in the period the related services are rendered and such estimated amounts are revised in future periods, as adjustments become known.

Rental Revenue

Rental revenue related to apartment leasing is recognized on the straight-line basis over the term of the agreement. Any amounts received in advance are recorded as unearned revenue.

Contributions

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are initially reported at fair value determined using the discounted present value of estimated future cash flows technique. The resulting discount is amortized using the level-yield method and is reported as contribution revenue.

Gifts received with donor stipulations are reported as either temporarily or permanently restricted. When a donor restriction expires, that is, when a time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified and reported as an increase in unrestricted net assets. Donor-restricted contributions whose restrictions are met within the same year as received are reported as unrestricted contributions. Conditional contributions are reported as liabilities until the condition is eliminated or the contributed assets are returned to the donor.

Conditional gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenue when the conditions are substantially met and the gift becomes unconditional.

Notes to Financial Statements December 31, 2017 and 2016

Contributed Services

Contributions of services are recognized as revenue at their estimated fair values only when the services received create or enhance nonfinancial assets or require specialized skill possessed by the individuals providing the service and the service would typically need to be purchased, if not donated. Contribution revenue for the years ended December 31, 2017 and 2016, recognized from contributed services consisted of:

	 2017	 2016
General and administrative activities Health care services	\$ 80,000 120,000	\$ 100,000 125,000
	 200,000	\$ 225,000

Professional Liability Claims

The Home recognizes an accrual for claim liabilities based on estimated ultimate losses and costs associated with settling claims and a receivable to reflect the estimated insurance recoveries, if any. Professional liability claims are described more fully in Note 8.

Income Taxes

The Home has been recognized as exempt from income taxes under Section 501 of the Internal Revenue Code and a similar provision of state law. However, the Home is subject to federal income tax on any unrelated business taxable income. The Home files tax returns in the U.S. federal jurisdiction.

Note 2: Net Patient Service Revenue

The Home has agreements with third-party payors that provide for payments to the Home at amounts different from its established rates.

These payment arrangements include revenues from Medicare and Medicaid. The amounts of service revenues are determined by a number of factors, including the number of licensed beds and occupancy rates of the Home, the acuity levels of patients and the rates of reimbursement among payors.

Notes to Financial Statements December 31, 2017 and 2016

Approximately 99% and 90% of net patient service revenue is from participation in the Medicare and state-sponsored Medicaid programs for the years ended December 31, 2017 and 2016, respectively. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation and changes. As a result, it is reasonably possible that recorded estimates will change materially in the near term.

The Home has also entered into payment agreements with certain managed care organizations and other third-party payors.

Note 3: Concentration of Credit Risk

Accounts Receivable

The Home grants credit without collateral to its patients, most of whom are area residents and are insured under third-party payor agreements. The mix of net receivables from patients and third-party payors at December 31, 2017 and 2016, was:

	2017	2016
Medicare	37%	41%
Medicaid	62%	58%
Other third-party payors and patients	1%	1%
	100%	100%

Note 4: Beneficial Interest in Trusts (Restated – Note 13)

The Home is the beneficiary under perpetual trusts and one remainder trust administered by outside parties. Under the terms of the perpetual trusts, the Home has the irrevocable right to receive income earned on the trust assets in perpetuity, but never receives the assets held in trust. At the date the Home receives notice of a beneficial interest, a contribution with donor restrictions of a perpetual nature is recorded in the statements of operations and changes in net assets, and a beneficial interest in perpetual trust is recorded in the balance sheets at the fair value of the underlying trust assets. Thereafter, beneficial interests in the trusts are reported at the fair value of the trusts' assets in the balance sheets, with trust distributions and changes in fair value recognized in the statements of operations and changes in net assets. The estimated value of the expected future cash flows is \$1,808,376 and \$1,661,102, which represents the fair value of the trust assets at December 31, 2017 and 2016, respectively. The income from these trusts for 2017 and 2016 was \$83,074 and \$87,668, respectively.

Notes to Financial Statements December 31, 2017 and 2016

Under the terms of the remainder trust, the specified beneficiaries receive distributions of the trust's net income during their lives and, upon the deaths of all beneficiaries, the Home receives the remainder of the trusts' assets. As each beneficiary expires, the Home receives that beneficiary's right to receive net income distributions. The estimated value of the expected future cash flows is \$1,830,216 and \$1,645,862, which represents the fair value of the trust assets at December 31, 2017 and 2016, respectively. The income from these trusts for 2017 and 2016 was \$4,559 and \$4,570, respectively.

Note 5: Long-Term Debt

The Home has various uncollateralized notes payable with Little Sisters of the Poor Chicago Province, Inc. (Province), which is an organization related to the Home. The notes payable each include interest at 3% that is due at maturity of the note. The balances as of December 31 are as follows:

	2017	2016
Note payable, Province (due September 12, 2020) Note payable, Province (A) Note payable, Province (B) Note payable, Province (C) Note payable, Province (due April 7, 2022)	\$ 1,750,000 200,000 500,000 800,000 300,000	\$ 1,750,000 200,000 500,000 800,000
	\$ 3,550,000	\$ 3,250,000

- (A) Subsequent to year-end, the Home amended the note payable to extend the maturity date from March 21, 2018, to March 21, 2023.
- (B) Subsequent to year-end, the Home amended the note payable to extend the maturity date from June 17, 2018, to June 17, 2023.
- (C) Subsequent to year-end, the Home amended and consolidated four notes payable with various maturity dates in 2019 to one note payable with an extended maturity date of December 31, 2024.

Aggregate annual maturities of long-term debt at December 31, 2017, are:

2018	\$ -
2019	-
2020	1,750,000
2021	-

Notes to Financial Statements December 31, 2017 and 2016

Note 6: Functional Expenses

The Home provides health care services primarily to residents within its geographic area. Expenses related to providing these services are as follows:

	2017	2016
Health care services General and administrative Fundraising	\$ 5,009,856 868,275 51,127	\$ 4,591,261 872,256 51,776
	\$ 5,929,258	\$ 5,515,293

Note 7: Pension Plan

The Home participates in the Christian Brothers Employee Retirement Plan, a multiemployer defined benefit pension plan that covers substantially all of its employees. The Home contributed approximately \$70,000 and \$68,000 to the plan in 2017 and 2016, respectively, which was included in employee benefits as pension expense in the statements of operations and changes in net assets.

The Home participates in the Christian Brothers Retirement Savings Plan, a defined contribution pension plan covering substantially all employees. There was no pension expense associated with this plan for the years ended December 31, 2017 and 2016.

Note 8: Medical Malpractice Costs

The Home purchases medical malpractice insurance under a claims-made policy on a fixed premium basis. Accounting principles generally accepted in the United States of America require a health care provider to accrue the expense of its share of malpractice claim costs, if any, for any reported and unreported incidents of potential improper professional service occurring during the year, by estimating the probable ultimate costs of the incidents. Based upon the Home's claim experience, no such accrual has been made. It is reasonably possible that this estimate could change materially in the near term.

Notes to Financial Statements December 31, 2017 and 2016

Note 9: Significant Estimates and Concentrations

Accounting principles generally accepted in the United States of America require disclosure of certain significant estimates and current vulnerabilities due to certain concentrations. Those matters include the following:

Allowance for Net Patient Service Revenue Adjustments

Estimates of allowances for adjustments included in net patient service revenue are described in Notes 1 and 2.

Medical Malpractice Claims

Estimates related to the accrual for medical malpractice claims are described in Notes 1 and 8.

Litigation

In the normal course of business, the Home is, from time to time, subject to allegations that may or do result in litigation. Some of these allegations are in areas not covered by the Home's commercial insurance; for example, allegations regarding employment practices or performance of contracts. The Home evaluates such allegations by conducting investigations to determine the validity of each potential claim. Based upon the advice of counsel, management records an estimate of the amount of ultimate expected loss, if any, for each of these matters. Events could occur that would cause the estimate of ultimate loss to differ materially in the near term.

Note 10: Subsequent Events

Subsequent events have been evaluated through February 7, 2019, which is the date the financial statements were available to be issued. Subsequent to year-end, the Province issued four uncollateralized notes payable to the Home for a total of \$1.1 million. The notes payable each include interest at 3% that is due at the maturity of the note. The notes mature between January and October 2023.

Notes to Financial Statements December 31, 2017 and 2016

Note 11: Future Changes in Accounting Principles

Revenue Recognition

The Financial Accounting Standards Board (FASB) amended its standards related to revenue recognition. This amendment replaces all existing revenue recognition guidance and provides a single, comprehensive revenue recognition model for all contracts with customers. The guidance provides a five-step analysis of transactions to determine when and how revenue is recognized. Other major provisions include capitalization of certain contract costs, consideration of the time value of money in the transaction price and allowing estimates of variable consideration to be recognized before contingencies are resolved in certain circumstances. The amendment also requires additional disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in those judgments and assets recognized from costs incurred to fulfill a contract. The standard allows either full or modified retrospective adoption effective for annual periods beginning after December 15, 2018, for nonpublic entities, such as the Home. The Home is in the process of evaluating the impact the amendment will have on the financial statements.

Presentation of Financial Statements for Not-for-Profit Entities

FASB recently issued Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*, which changes requirements for financial statements and notes of all not-for-profit (NFP) entities and is effective for fiscal years beginning after December 15, 2017.

A summary of the changes by financial statement area most relevant to the Home are as follows:

Balance Sheets

The balance sheets will distinguish between two new classes of net assets – those with
donor-imposed restrictions and those without. This is a change from the previously
required three classes of net assets – unrestricted, temporarily restricted and permanently
restricted.

Statements of Operations and Changes in Net Assets

- Expenses are reported by both nature and function in one location.
- Investment income is shown net of external and direct internal investment expenses. Disclosure of the expenses netted against investment income is no longer required.

Notes to Financial Statements December 31, 2017 and 2016

Notes to Financial Statements:

- Enhanced quantitative and qualitative disclosures provide additional information useful in assessing liquidity and cash flows available to meet operating expenses for one year from the date of the statement of financial position.
- Amounts and purposes of governing board designations and appropriations as of the end
 of the period are disclosed.

The Home is in the process of evaluating the impact the amendment will have on the financial statements.

Statement of Cash Flows: Restricted Cash

FASB recently issued ASU No. 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash, which changes requirements for financial statement and notes of all entities who are required to present a Statement of Cash Flows under Topic 230 and have restricted cash and is effective for fiscal years beginning after December 15, 2019.

The ASU requires entities to include restricted cash and restricted cash equivalents with cash and cash equivalents when reconciling beginning-of-period and end-of-period total cash in the statement of cash flows. The ASU requires disclosure of information about the nature of restrictions on cash, cash equivalents and restricted cash balances.

Note 12: Management's Consideration of Going Concern Matters

The Home has incurred recurring losses and negative cash flows from operations. Over the past year, the Home's operations have been funded through financing from the Province. As of December 31, 2017, the Home had approximately \$27,000 of unrestricted cash.

The Home has retained an outside billing company to improve billing and collections. The Home also has extended the maturity dates of certain notes payable through the Province (see Note 5).

The accompanying financial statements have been prepared assuming that the Home will continue as a going concern; however, the above conditions raise substantial doubt about the Home's ability to do so. The financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classifications of liabilities that may result should the Home be unable to continue as a going concern.

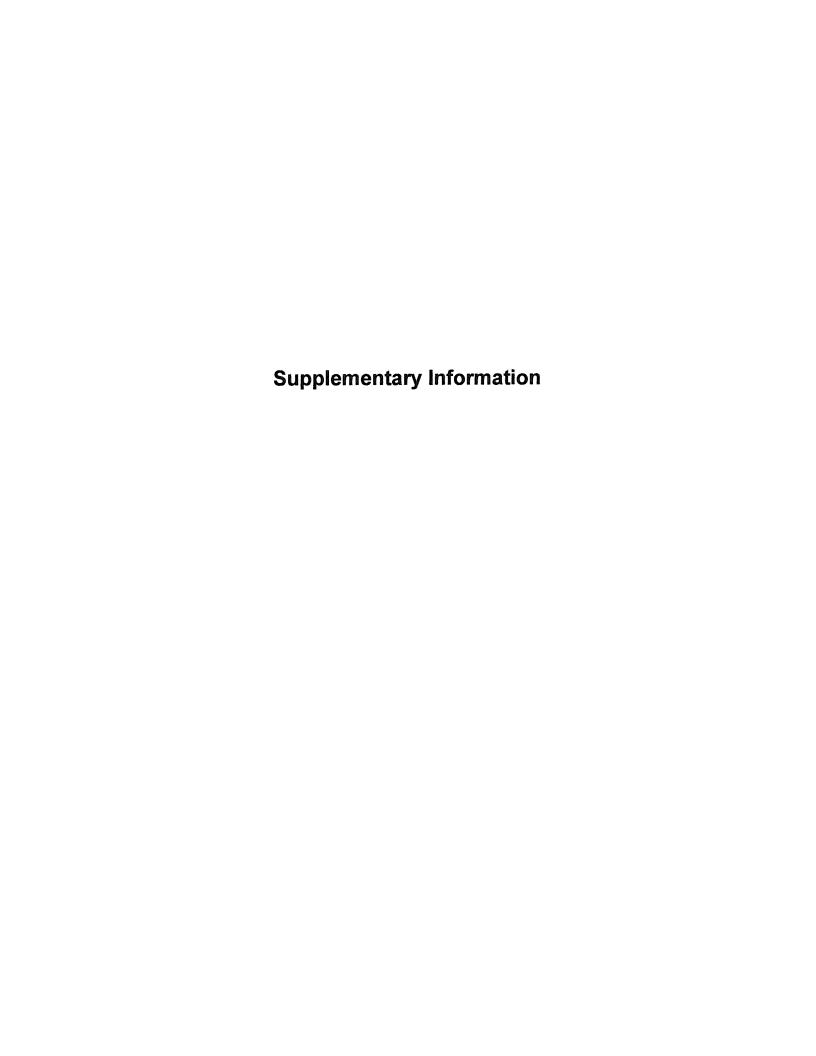

Notes to Financial Statements December 31, 2017 and 2016

Note 13: Restatement of Prior Year's Financial Statements

The 2016 financial statements have been restated to correct two errors. During 2017, the Home discovered that a certain gift bequest was not properly recorded within the December 31, 2016, financial statements as a receivable and contribution revenue. The 2016 change in net assets increased by \$104,150 in connection with this correction. In addition, the classification of a certain beneficial interest in trust has been corrected from permanently restricted to temporarily restricted in accordance with the terms of the trust agreement. There was no impact to the 2016 change in net assets for this correction in classification.

The following financial statements line items for 2016 were affected by these corrections:
