

EXPLANTATION FOR THE PROPOSAL

Rory Gillman, engineer at GE Appliances, and Emily Beckman, nurse practitioner at Norton Healthcare, are co-owners of 2632 Wendell Avenue Louisville, KY 40205. We propose to use the property as a short term rental. It is a single family dwelling home. The entire property will be used as one short term rental. There are 4 bedrooms in the property. They will be rented out as a whole unit, not individually.
