Neighborhood Meeting Attendance Sheet

2632 Wendell Avenue 40205

1. Tim Richardson 2630 Wendell Ave 502-649-1916
2. Tess Beckman 2642 Alanmede Rd 502-456-1873

Summary of meeting:

Cordial discussion with neighbors regarding the proposal for STR for the property.

Only specific concern discussed was regarding people being noisy in the backyard because Tim's window is next to the backyard driveway. He proposed making outdoor space in the back rear area to minimize noise disruption to his bedroom. We agreed that we will look into moving a gathering space to the back of the yard to help with his concern. No other concerns were discussed.
