**Re: Derby City Gaming and Racing
4520 Poplar Level Road
Louisville, KY 40213
Modified Conditional Use Permit**

Please find this letter in conjunction with the application for the Modified Conditional Use Permit for the Derby City Gaming facility located at 4520 Poplar Level Road. In August of 2017, The Louisville Metro Board of Zoning Adjustment granted a Modified Conditional Use Permit for the construction of 85,000 square feet pari-mutuel wagering facility under Case No. 17CUP1055. Based on that approval Churchill Downs Inc, constructed the 85,000 square feet facility, parking, and associated parking lot. This facility was open in August 2018.

This request is to allow the expansion of 8,120 square feet to the already constructed 85,000 square feet facility. The proposed expansion will be located at the eastern side of the existing building. The proposed expansion will not have any adverse effect on any adjacent properties and it is consistent with the existing use of the facility.

Should you have any questions or need additional information, please do not hesitate to call.

Sincerely,

Jihad Hallany

Jihad A. Hallany, P.E.
