RE: Temporary Access across property line.
407 Browns Lane
Carrie Lawless

To who it may concern;

If temporary access for constructing the garage at 405 Browns Lane is needed by crossing over the property line at 407 Browns Lane I have no concerns or issues. It is my understanding the new garage will follow the same footprint as the existing footprint. It is also my understanding any damages that might be incurred will be 405 Browns Lane's responsibility.
