

**RESOLVED**, the Louisville Metro Development Review Committee does hereby **APPROVE** the requested Revised Detailed District Development Plan for Lot 1, **SUBJECT** to the following binding elements:

**Binding Elements Applicable to Overall Development / Lot 1:**

1. The development shall be in accordance with the approved district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.
2. Prior to development (includes clearing and grading) of each site or phase of this project, the applicant, developer, or property owner shall obtain approval of a detailed district development plan in accordance with Chapter 11, Part 6. Each plan shall be in adequate detail and subject to additional binding elements. The façade elevations submitted at this time shall be in accordance with applicable form district standards and shall be approved by PDS staff prior to construction permit approval.
3. No outdoor advertising signs, small freestanding signs, pennants, balloons, or banners shall be permitted on the site.
4. Before any permit (including but not limited to building, parking lot, change of use, site disturbance, alteration permit or demolition permit is requested:
  - a. The development plan must receive full construction approval from Louisville Metro Department of Codes and Regulations Construction Permits and Transportation Planning Review and the Metropolitan Sewer District.
  - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
  - c. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
  - d. A minor plat shall be approved and recorded creating the lots as shown on the approved development plan.
5. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All binding elements requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
6. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
7. No idling of trucks shall take place within 200 feet of single-family residences. No overnight idling of trucks shall be permitted on-site.

8. No deliveries shall be permitted by any commercial use between 10:00 pm and 7:00 am
9. A reciprocal access and crossover easement agreement in a form acceptable to the Planning Commission legal counsel shall be created between the development site and the adjoining property owner(s) to the North and recorded prior to development of that site for any non- residential use. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services.
10. A reciprocal access and crossover easement agreement in a form acceptable to the Planning Commission legal counsel shall be created between all parcels shown on the approved development. Rights of access shall be retained for the benefit of the public to access the archaeological feature on lot 2. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services. Such agreement shall be recorded prior to construction plan approval.
11. A unified signage plan shall be created that sets consistent standards for the design, appearance and location of signs within the development. This plan shall be submitted for review and approval by Planning Commission Staff prior to issuance of certificate of occupancy.
12. Landscaping shall be provided which is substantially similar to that described on the applicant's landscape exhibit presented at the 2/7/19 public hearing of the Planning Commission.
13. The materials and design of proposed structures shall be substantially the same as depicted in the rendering as presented at the 2/7/19 Planning Commission meeting. One tree shall be planted within 15 feet of the building, for each 50 feet of façade length facing public streets or residentially used property. Trees may be clustered but distance between trees shall not exceed 100 feet. Tree species shall be selected from the Preferred Plant List that will equal or exceed the height of the adjacent building, at maturity. This shall be in addition to trees required in parking lot interior landscape areas.
14. The developer shall be responsible for maintenance of all drainage facilities and undeveloped lots ensuring prevention of mosquito breeding, until such time as the drainage bond is released.
15. The following roadway improvement shall be made prior to the occupancy of the subject site: Outer Loop Road at Minor Lane
  - A. Remove the existing raised median on the west leg of the intersection to provide dual left turns from Outer loop Road to Minor Lane.
  - B. Add an additional southbound lane on the north leg of the intersection to provide 1 right turn lane, 1 shared through-left turn lane and 1 exclusive left turn lane. Widening on this leg will require significant shoulder widening to provide positive off-tracking for heavy making a right turn from Minor Lane to Outer Loop Road.
  - C. Widen the northbound approach of Briarcliff Road north of the Old Outer Loop Road to provide full pavement width for two lanes. Reconfigure the northbound lanes to provide 1 exclusive left turn lane and 1 shared through right turn lane.
  - D. Provide a westbound right turn lane on Outer Loop Road to Minor Lane.

Minor Lane Extension at Development Drive

Configure the newly created intersection with stop control on the southbound approach of Minor Lane.

Any revision to these recommendations shall be in coordination with KYTC and shall be presented to the Director of Public Works for review and approval.

16. The following M-2 uses are prohibited unless approved by the Planning Commission in a public hearing. Any application for amendment shall include notification to all those that spoke at the public hearing, as well as 1st and 2nd tier adjoining property owners.

Auction sales, outdoor

Fairgrounds

Flea market

Railroad freight terminal and yards

River terminals

17. The following M-1 uses are prohibited:  
Uses, manufacture, processing, treatment, or storage of the following: Adhesive, excluding manufacturing of basic components  
Chemicals (packaging only)
18. The developer shall adhere to LDC section 4.4.6 as it pertains to inactive cemeteries

**RESOLVED**, the Louisville Metro Development Review Committee does hereby **APPROVE** the requested Detailed District Development Plan with Binding Elements for Lot 6, **SUBJECT** to the following Binding Elements for Lot 6:

**Detailed Plan Binding Elements for Lot 6**

1. The development shall be in accordance with the approved district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning

Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.

2. Construction fencing shall be erected when off-site trees or tree canopy exists within 3' of a common property line. Fencing shall be in place prior to any grading or construction to protect the existing root systems from compaction. The fencing shall enclose the entire area beneath the tree canopy and shall remain in place until all construction is completed. No parking, material storage or construction activities are permitted within the protected area.
3. Before any permit (including but not limited to building, parking lot, change of use, site disturbance, alteration permit or demolition permit is requested:
  - a. The development plan must receive full construction approval from Construction Review, Louisville Metro Public Works and the Metropolitan Sewer District.
  - b. A minor subdivision plat shall be recorded to create the lot lines as shown on the plan. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services prior to obtaining a building permit.
  - c. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
4. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All binding elements requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
5. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
