My name is Rose Williams and I am writing in regard to the zone adjustment in case 20-CUP-0118. I received this notice on Tuesday, Oct 13, 2020. Please be advised that I am against the zoning of the property at 2201 Strathmoor Boulevard as a commercial/rental property. I do not agree to any conditional use permit for short term rental or any other kind of rental. This property at 2201 Strathmoor Boulevard is now a part of a beautiful residential neighborhood. It would be detrimental to the residential neighborhood and to my property to allow this request. I have been the homeowner adjacent to this property for over 42 years, and I know this is not good for the community, the neighbors or me.

Respectfully, I request that you deny the approval of the rezoning at 2201 Strathmoor Blvd.
Sincerely, Rose Williams
