Request

- **Variances:** from Land Development Code table 5.2.2 to allow new single-family residential structures to encroach into the side yard setback(s).

Location (934, 930, and 912 E. Jefferson Street)	Requirement	Request	Variance
Western Side Yard	5 ft.	2 ft.	3 ft.
Eastern Side Yard	5 ft.	4 ft.	1 ft.

Case Summary / Background

- The subject properties are in the NuLu overlay district.
- They are in the OR-2 Office/Residential Zoning District and the Traditional Neighborhood Form District.

Case Summary / Background

- They are vacant lots and the applicant proposes to construct single-family residences that would encroach into the side yard setback(s).
- If the subject properties were in a residential zoning district, variances would not be required.

Case Summary / Background

- Variances are required in this situation because the properties are zoned OR-2 Office/Residential and could potentially change to non-residential uses.
- The applicant has laid the foundation for 1001 E. Liberty Street and 317 S. Wenzel Street; however, they did receive building permits prior to construction activity.

Case Summary / Background

- The NuLu Review Overlay Committee approved the structures under case numbers 20-OVERLAY-0029, 20-OVERLAY-0030, 20-OVERLAY-0031, 20-OVERLAY-0032, and 20-OVERLAY-0033 on August 5, 2020.
