The following spoke to the item:

- Chair Person Yates
- Vice Chair Piagentini
- Council Member Sexton Smith
- Committee Member Winkler
- Kevin Cogan, Jefferson Development Group

The following was discussed:

- There was a discussion regarding the project being an important residential development for the downtown Louisville Metro urban core.
- This project is located near the Angel's Envy Distillery.
- The project will have a multi-use design with retail space on the ground floor along with an appropriate streetscape approach.
- The aesthetic amenities such as windows, landscaping, lighting, water, and sewer have been appropriately addressed to code regulations.
- This project is one of the largest upscale multi-family residential units in downtown Louisville Metro with 343 residential units and approximately 450 parking spaces.
- There were questions regarding the timeline for moving forward.
- The overall objective is to begin working with the development team in the coming weeks and moving toward construction.

Chair Person Yates closed the Public Hearing for the 422 eMain Development Area.

A motion was made by Committee Member Dorsey, seconded by Committee Member Winkler, that this Ordinance be recommended for approval.

The following spoke to the item:

- Chair Person Yates
- Vice Chair Piagentini
- Committee Member Dorsey
- Council Member Sexton Smith
- Stephanie Kertis, Louisville Forward

The following was discussed:

- Council Member Sexton Smith requested a Committee Member to proffer an amendment on the legislation.
- The amendment will bring the development plan into better compliance with Louisville Metro Code of Ordinances (LMCO) 37.75 in regard to Fair Labor Standards.
- The amendment will also bring the development plan into better compliance with State law with respect to Fair Labor Standards.
- There was a discussion regarding the inactive use of the property in the past

20 years.

- This is a welcomed and celebrated project that includes a percentage of low-income affordable housing, which will be phased as occupancy increases.
- The project has proceeded through the Public Notice process with adjacent businesses and neighbors.
- Due to the development area's present condition and use, the potential revenue is not feasible to underwrite the proposed improvements.
- The Tax Increment Funding (TIF) mechanism is the most adequate source for incentives toward the needed project and improvements.
- The improvements cannot be facilitated solely with private investment funds.
- The project is expected to have \$80 million in private investments with \$65 million of new investments toward hard costs.
- The Ad Valorem Tax increase on the TIF will have an 80/20 split for a time frame of no greater than 25 years and a cap to the developer of no more than \$7,644,184.
- There was a discussion regarding the 20 percent tax increases that Louisville Metro will receive as the property investment increases.
- There was a discussion regarding the project being an excellent way to incentivize investment in the community.

A motion was made by Committee Member Winkler, seconded by Vice Chair Piagentini, that this Ordinance be amended. The motion to amend carried by a voice vote.

The motion to recommend for approval carried by the following vote and the Ordinance was sent to Old Business:
