

General Waiver Justification:

In order to justify approval of any waiver, the Planning Commission or Board of Zoning Adjustment considers four criteria. Please answer **all** of the following questions. Use additional sheets if needed. **A response of yes, no, or N/A is not acceptable.**

1. Will the waiver adversely affect adjacent property owners?

The easements are existing so allowing this waiver will not adversely affect adjacent property owners

2. Will the waiver violate the Comprehensive Plan?

The waiver will not violate the comprehensive plan.

3. Is extent of waiver of the regulation the minimum necessary to afford relief to the applicant?

Yes this is the minimum relief needed to allow the applicant to make the required addition.

4. Has either (a) the applicant incorporated other design measures that exceed the minimums of the district and compensate for non-compliance with the requirements to be waived (net beneficial effect) or would (b) the strict application of the provisions of the regulation deprive the applicant of the reasonable use of the land or would create an unnecessary hardship on the applicant?

The strict application of the regulations would provide unnecassry hardship for the applicant by making it impossible for them to build the necessary addition for their business.
