Location:	11501 Maple Way
Owner(s):	Roman Catholic Bishop of Louisville
Applicant:	Roman Catholic Bishop of Louisville
Jurisdiction:	Louisville Metro
Council District:	23 – James Peden
Case Manager:	Jon Crumbie, Planning & Design Coordinator

This case was continued from the March 15, 2021 Board of Zoning Adjustment meeting.

REQUEST(S)

- Conditional Use Permit to allow a private institutional use

CASE SUMMARY/BACKGROUND

The applicant is proposing to construct a 1,200 square feet accessory structure for general storage of mowing and maintenance equipment, table and chair inventory, general use items for the parish picnic, and other ancillary/miscellaneous items

STAFF FINDING / RECOMMENDATION

There are five listed requirements for the private institution use. The applicant will need relief of item A. Item B., C., and D. will be met. The Board can discuss item E. to determine whether a condition of approval is needed for hours of operation. Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.

STANDARD OF REVIEW AND STAFF ANALYSIS FOR CONDITIONAL USE PERMIT

1. Is the proposal consistent with applicable policies of the Comprehensive Plan?

STAFF: The proposal meets all applicable policies of the Comprehensive Plan.

2. Is the proposal compatible with surrounding land uses and the general character of the area including factors such as height, bulk, scale, intensity, traffic, noise, odor, drainage, dust, lighting and appearance?

STAFF: The proposed improvements are compatible with surrounding development and land uses.

3. Are necessary on-site and off-site public facilities such as transportation, sanitation, water, sewer, drainage, emergency services, education and recreation adequate to serve the proposed use?

STAFF: The subject property is served by existing public utilities and facilities. Transportation Planning and MSD have reviewed and approved the proposal.

4. Does the proposal comply with the following specific standards required to obtain the conditional use permit requested?

Private institutional uses, except for such uses specifically regulated elsewhere in this LDC, may be allowed in the R-R, R-E, R-1, R-2, R-3, R-4, R-5, and U-N zoning districts upon the granting of a Conditional Use Permit and compliance with the listed requirements:

A. Except in the R-R zoning district, all structures, except fencing, and all off-street parking shall be at least 30 feet from any property line adjacent to an existing residential use or residential zoning district. In the R-R zoning district all structures, except fencing, shall be at least 150 feet from any property line and all off-street parking shall be at least 30 feet from any property line. ***A small portion of the off-street parking at the rear of the site is approximately 15 feet from the property line. This is an existing condition. All structures are at least 30 from any property line.***

B. The applicant must demonstrate that the impact of the traffic generated by the use can be mitigated. ***The applicant states that no new traffic will be generated.***

C. Off-street parking not located within a driveway shall be located to the side or rear of the building(s). The number of required off-street parking spaces shall be determined by the Planning Director in consultation with the Director of Public Works based on the standards for the closest comparable use and on the particular parking demand and trip generation characteristics of the proposed use. ***All parking is located at the rear of the building. Also, the plan has been reviewed and approved by Public Works/Transportation Planning.***

D. All activities shall be in compliance with the Metro Noise Ordinance (LMCO Chapter 99). ***All activities will be in compliant with the Metro Noise Ordinance.***

E. The Board of Zoning Adjustment may set hours of operation for the institutional use in order to minimize potential negative impacts on surrounding residential properties. ***The Board can determine whether there is a need to set hours of operation for the use.***

12.	Design parking, loading and delivery areas located adjacent to residential areas to minimize adverse impacts from noise, lights, and other potential impacts. Ensure that parking, loading and delivery is adequate and convenient for motorists and does not negatively impact nearby residents or pedestrians. Parking and circulation areas adjacent to the street shall be screened or buffered. Use landscaping, trees, walls, colonnades or other design features to fill gaps along the street and sidewalk created by surface parking lots. Encourage the placement of parking lots and garage doors behind or beside the building rather than facing the street. The use of alleys for access to parking lots is encouraged, especially in Downtown Louisville, Urban Center Neighborhoods, Traditional Neighborhoods and Traditional Marketplace Corridors. Encourage elimination or reduction of parking minimums in areas readily accessible to transit routes.	+	Transportation Planning has reviewed and approved the proposal.
14.	Ensure that signs are compatible with the Form District pattern and contribute to the visual quality of their surroundings. Promote signs of a size and height adequate for effective communication and conducive to motor vehicle safety. Encourage signs that are integrated with or attached to structures wherever feasible; limit freestanding signs to monument style signs unless such design would unreasonably compromise sign effectiveness. Give careful attention to signs in historic districts, parkways, scenic corridors, design review districts and other areas of special concern. For freestanding signs in multi-lot the number of signs by including signage for each establishment on the same support structure and encourage consistent design (size, style, and materials).	+	No new signage is proposed.
17.	Mitigate adverse impacts of traffic from proposed development on nearby existing communities.	+	Transportation Planning has reviewed and approved the proposal.
