Resident. Sherrie Hall. 1706 Cardinal Court Zip 40216.

This is no medical clinic. Rehab for addiction is one thing but prolonged aid is not. This is at the end and cut through of our neighborhood where we have enough issues with homeless and panhandling on each corner of Gagel Avenue and along our corridor. Routinely Circus car dealership has homeless and drug users infiltrating their lot as well as the empty college grounds that abut to this anomaly strip mall. I can't believe Duncan Donuts would want this facility there as well. Cardinal Court as well Colony Court Atterbury and San Jose would be greatly affected with as we are now folks wandering the neighborhood. We have elderly and children here. Besides the clinic told us it would start with only 3-4 persons in the beginning. What kind of clinic is that? Convenient to a bus line and limited parking at best. We have enough unsavory issues now we do not need this clinic to add to our neighborhood problems.

Subject: Notice of Public Hearing for 4615 Dixie Hwy

I received the attached Notice of Public Hearing and I am concerned that this is going forward. Does the City of Shively have the power to veto this conditional use permit? It seems they are not going away like my neighborhood had hoped. I plan to send my comments to Mr. Crumbie this week.

Please let me know if there is anything else I need to do to get this "medical clinic" to locate somewhere (anywhere) else!

Thank you.
