Academic Experience (continued):

2011-2016 College of Business – Associate Director Forcht Entrepreneurship Center. Teach Entrepreneurship MBA & Director Undergraduate Entrepreneurship Minor. Responsible for program evaluations/assessments, admissions committees, backup of Director for all various duties/responsibilities.

2005 – 2011 Joint appointment (20%) - Director of Economic Education Center for U of L College of Education and Human Development as well as faculty instructor Graduate programs (80%) College of Business Director of Undergraduate Entrepreneurship Minor, Management Dept & CIS.
 Faculty -teaching responsibilities include developing and teaching graduate courses to teachers: Consumer Economics curriculum in the classroom, Economics in the classroom and Entrepreneur curriculum in the classroom. Curriculums based on the National Council on Economic Education standards (ncee.net) and National Foundation for Teaching Entrepreneurship (nfte.org).

Director of the Center for Economic Education - responsibilities include building strategic business plan to sustain the U of L Center for Economic Education. Determining, developing, planning and executing professional development opportunities for classroom teachers (P-20) regarding teaching economics topics/curriculum in the classroom.

*Created the original “Financial Fiesta©” events in 2006 for U of L students to be exposed to credit counseling and other financial literacy topics. I partnered with the Federal Reserve St. Louis Louisville Education branch, Better Business Bureau and other community partners to fund. These programs were on-going events within U of L and continue to attract over 800+ student attendees at each event.

*Created sponsored stipends for teachers for graduate courses I taught EDAP 666,667 & 668 (Teaching teachers to teach Entrepreneurship & Financial literacy). Stipends to teachers (K-12) totaled over \$35,000.

*Created \$25,000 endowment for COB Undergrad internal business plan competition
 *Created “Finance 4 Her” Financial Education coaching system for Women4Women in conjunction with National Center for Family Literacy’s financial intergenerational program. Pilot program March 2007. Six months, once a month program, teaching financial education that also includes behavior modification. Participants partnered with community volunteer coaches. Trained over 100 coaches to date and over 2,000 participants. I created and registered this product which may be licensed. 2019 – created new partnership with U of L, Spalding & Bellarmine to roll this program out again within all 3 universities-and raising funding to support it.

*Created “Finance 4 U” Financial Education coaching system for U of L students in 2008. Program is held for 3 months, once a month program, teaching financial education that also includes behavior modification. Partnered with Graduate Student Council -averaged approximately 25 students for each semester. 2010- approached by U of K and JCC to consult with them to roll out this program on their campuses.

*Served as Entrepreneurship MBA advisor to several business plan competition teams.

*Served as faculty teaching mentor for Entrepreneurship PhD students (2007-2016) as well as grader for PhD Entrepreneurship comprehensive exams and committee member for dissertations.
