REQUEST

Conditional Use Permit to allow a short term rental of a dwelling unit that is not the primary residence of the host (Land Development Code (LDC) 4.2.63).

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct short-term rental of a residence on the site. As it is not the primary residence of the host, a Conditional Use Permit is required.

The site is located on the west side of S. 1st Street in between E. Ormsby Avenue and E. Magnolia Avenue in Old Louisville. There is an existing two-story residential structure with two dwelling units. The applicant lives in the second-floor unit and is proposing to use the first-floor unit as a short term rental. It is zoned TNZD Traditional Neighborhood Zoning District and is surrounded by single and multi-family uses.

PVA lists the existing structure as a single-family residence; however, the property is mapped for single or two-family residential. The applicant has shown that there are two bedrooms in the residence. LDC standards credit the site with two on-street parking spaces and there is a two-car garage on the alley. In addition, there appears to be available parking in the area.

STAFF FINDINGS

Based upon the information in the staff report, and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.

RELATED CASES

There are no open zoning enforcement cases.
