Category 3 Plan (Related Case #18devplan1131 and 15devplan1155)

Dear Case Manager,

This proposal is to provide a current overall plan for development of the above described properties. The proposal is similar to one filed in the past and will create improved circulation/access to serve the multiple industrial lots proposed. The site is located in the Suburban Workplace Form District and zoned EZ-1 and there are several existing uses/buildings on the site, most of which will remain and are incorporated in this proposal.

Please contact me if you have any questions or concerns regarding this proposal. As always, we appreciate your assistance in processing this request.

Respectfully,

Kathy M. Linares, PLA
