RE: CUP-STR Permit Formal Application at 919 E. St. Catherine St. Louisville, KY 40204-1847

To whom it may concern,

On the evening of Monday April 12, 2021, Josh Lamers and Lauren Landem hosted a pre-specified Google Meet virtual meeting to comply with the requirements for the CUP short-term rental permit. Notifications of the meeting were sent to 1st and 2nd tier adjoining properties 14 days prior to the meeting and 7 days prior. Both were prepared with comments to address attendees and willing to answer or address any comments and questions.

The meeting was scheduled for 7:00pm. Josh and Lauren were logged in and available by 6:45pm. Josh and Lauren remained logged online until 7:25pm.

Unfortunately, no one attended the meeting that evening.

Sincerely,

Josh Lamers
