CONTRACT SCOPE and PURPOSE (Attach additional documentation if necessary)

Amendments: Describe the circumstances under which a time extension or scope change is needed.

New: Be specific about the work to be performed / product to be purchased including but not limited to: scope of work; description of service; work product created; why the service / product is necessary; and benefit to Louisville Metro Government.

WT. Cox manages the magazine and newspaper subscriptions to all library locations.

JUSTIFICATION FOR NON-COMPETITIVE GOOD/SERVICE (Attach additional documentation if necessary)

Provide justification including but not limited to: a description of the unique features that prohibit competition; research conducted to verify the vendor as the only known source (sole source); why the service (PSC) is not feasible to be provided by LMG staff or expertise does not exist; known compatibility, proprietary and/or timing issues.

LFPL orders over a hundred different periodicals and newspapers. It would be impossible for our staff to contact each vendor to negotiate pricing and delivery. Instead we place an order with WT. Cox and they contact each vendor and negotiate pricing and delivery for us. They also handle any issues we may have with delivery, claims, change of address, etc.

AUTHORIZATIONS	Per KRS 45A.380, I have determined that competition is not feasible	e for the above described good / service and
there is a single sourc	e within a reasonable geographical area of the good / service to be p	rocured; or the resulting contract is for the
services of a licensed	professional, technician, arrist, or other non-licensed professional ser	vice.

AGREEMENT FOR SOLE SOURCE PURCHASE

THIS CONTRACT, made and entered into by and between the LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT, by and through its LOUISVILLE FREE PUBLIC LIBRARY, herein referred to as "METRO GOVERNMENT", and COX SUBSCRIPTIONS, INC. with offices located at 201 Village Road, Shallotte, North Carolina 28470, herein referred to as "CONTRACTOR",

WITNESSETH:

WHEREAS, the Metro Government wishes to purchase books, audio books, databases, newspaper and magazine subscriptions and other library materials for use by Library patrons; and

WHEREAS, the Contractor has been determined by the Metro Government to be a sole source to provide same,

NOW, **THEREFORE**, it is agreed by and between the parties hereto as follows:

I. SCOPE OF WORK

- **A.** Contractor shall, at the request of the Metro Government, provide goods and services under the terms of this Agreement.
 - **B.** Contractor shall supply, upon an order from the Metro Government:
 - 1. Books, magazine and newspaper subscriptions, Audio books, databases and other library materials as described by the Metro Government in its orders for same as described on Attachment A attached hereto and fully incorporated herein.

II. FEES AND COMPENSATION

A. The Metro Government shall pay Contractor for services rendered and goods supplied as agreed to in writing between the parties and as described on Attachment A. The Library has attempted to define a pricing structure for this Agreement, but, outside of Attachment A, has found it cannot do so since the market for the goods to be purchased

fluctuates and cannot therefore be committed to writing for the term of this Agreement. The Library and Contractor shall therefore agree in writing to pricing and any other terms for each transaction they execute. Total compensation payable to Contractor under this Agreement shall not exceed **SEVENTY FIVE THOUSAND DOLLARS** (\$75,000.00).

- **B.** Payment shall be made pursuant to Contractor's detailed invoice, itemized by the specifications of each item purchased and any other terms related to the transaction.
- **C.** The Metro Government shall not reimburse out of pocket expenses under this Agreement.

III. <u>DURATION</u>

- **A.** This Agreement shall begin July 1, 2020 and shall continue through and including June 30, 2021.
- **B.** This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of such intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform the duties required under this Agreement. A waiver by either party of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.
- **C.** In the event of termination, payment for goods and services delivered up to and including date of termination shall be made by the Metro Government.

IV. RECORDS-AUDIT

Contractor shall maintain during the course of the work, and retain not less than five years from the date of final payment on the contract, complete and accurate records of all of Contractor's costs which are chargeable to the Metro Government under this Agreement; and the Metro Government shall have the right, at any reasonable time, to inspect and audit those records by authorized representatives of its own or of any public

accounting firm selected by it. The records to be thus maintained and retained by Contractor shall include (without limitation): (a) payroll records accounting for total time distribution of Contractor's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as canceled payroll checks, or signed receipts for payroll payments in cash; (b) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Contractor's stores stock or capital items; and (c) paid invoices and canceled checks for materials purchased and for subcontractors' and any other third parties' charges.

V. HOLD HARMLESS AND INDEMNIFICATION CLAUSE

The Contractor shall indemnify, hold harmless, and defend the Louisville/Jefferson County Metro Government, its elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees, arising out of or resulting, directly or indirectly, from the Contractor's (or Contractor's Subcontractors, if any) performance or breach of the contract provided that such claim, damage, loss, or expense is: (1) attributable to personal injury, bodily injury, sickness, death, or to injury to or destruction of property, including the loss of use resulting therefrom, or breach of contract, and (2) not caused by the negligent act or omission or willful misconduct of the Louisville/Jefferson County Metro Government or its elected and appointed officials and employees acting within the scope of their employment. This Hold Harmless and Indemnification Clause shall in no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Contract.

VI. INSURANCE REQUIREMENTS

A. Prior to commencing work, Contractor shall obtain at its own cost and expense the following types of insurance through insurance companies licensed in the State of Kentucky. Insurance written by non-admitted carriers will also be considered acceptable, in accordance with Kentucky Insurance Law (KRS 304.10-040). Workers' Compensation written through qualified group self-insurance programs in accordance with Kentucky

Revised Statutes (KRS 342.350) will also be acceptable. The Contractor shall not commence work under this Contract until all insurance required under the Contract Document has been obtained and until copies of policies or certificates thereof are submitted to Metro Government and approved by the Metro Government's Risk Management Division. The Contractor shall not allow any subcontractor to commence work until the insurance required of such subcontractor has been obtained and copies of Certificates of Insurance retained by Contractor evidencing proof of coverages.

Without limiting Contractor's indemnification requirements, it is agreed that Contractor shall maintain in force at all times during the performance of this agreement the following policy or policies of insurance covering its operations, and require subcontractors, if subcontracting is authorized, to procure and maintain these same policies until final acceptance of the work by the Metro Government. Metro Government may require Contractor to supply proof of subcontractor's insurance via Certificates of Insurance, or at Metro Government's option, actual copies of policies.

- B. The following clause shall be added to the Contractor's (and approved subcontractors) Commercial General Liability Policies:

The insurance to be procured and maintained and minimum Limits of Liability shall be as follows, unless different limits are specified by addendum to the contract (and such minimum limits shall not limit access to the full amount of insurance available (whether through primary, excess or umbrella policies) on the contractors or subcontractors policy(ies), if that/those policy(ies) provide for Limits above the minimum):

COMMERCIAL GENERAL LIABILITY: via the Occurrence Form, primary and non-contributory, with a \$1,000,000 Combined Single Limit for any one Occurrence and

D. ACCEPTABILITY OF INSURERS

Upon any material change (changes that reduce/restrict limit or terms and conditions to your insurance coverage) in coverage as required above, Contractor shall notify Metro Government's Risk Management Division within two business days. If Contractor fails to notify Metro Government as required by this Agreement, Contractor agrees that such failure shall be a breach of this Agreement. Metro Government reserves the right to require the insurance policy(s) required above to be specifically endorsed to provide notice of cancellation and/or material change of coverage in accordance with policy provisions. When requested by the Metro Government, a copy of the policy endorsement shall be provided to Metro Government's Risk Management Division.
- 5. Approval of the insurance by Metro Government shall not in any way relieve or decrease the liability of the Contractor hereunder. It is expressly understood that Metro Government does not in any way represent that the specified Limits of Liability or coverage or policy forms are sufficient or adequate to protect the interest or liabilities of the Contractor.

VII. REPORTING OF INCOME

The compensation payable under this Agreement may be subject to federal, state and local taxation. Regulations of the Internal Revenue Service require the Metro Government to report all amounts in excess of \$600.00 paid to non-corporate contractors.
