CM Hollander / Kyle,

We finally heard back from the railroad (RJ Corman) on the Frankfort Ave. sidewalk connector piece. The new costs are shown in red below. I have shown my previous estimates below for a comparison. The railroad company will construct the sidewalk between the rails and up to 2' on each side. Then, hopefully in a compressed time frame, Metro's contractor will build the rest.

Current Estimate

R/R Construction = \$13,725

R/R Flagging for Metro = \$3,250

Metro Construction = \$10,625

Total = \$27,600

Previous Estimate

~~RR Coordination & Design Fee = \$12,000~~

Railroad Plan Review & Construction Engineering = \$20,000*

~~RR Flagging (during Construction) = \$11,000*~~

~~Construction (under PW Annual Contract) = \$10,000*~~

*estimated

Total = \$53,000

Thanks,

Steve Kurowsky, PE
