

Variance Justification:

In order to justify approval of any variance, the Board of Zoning Adjustment considers the following criteria. Please answer all of the following items. Use additional sheets if needed. A response of yes, no, or N/A is not acceptable.

1. Explain how the variance will not adversely affect the public health, safety or welfare.

This change is a fence and there is no public health problem with the change.

2. Explain how the variance will not alter the essential character of the general vicinity.

All the houses around the neighborhood and with the same position have the same height of fence

3. Explain how the variance will not cause a hazard or a nuisance to the public.

This is for my protection to not having dogs or people going thru my yard.

4. Explain how the variance will not allow an unreasonable circumvention of the requirements of the zoning regulations.

The fence its the same height as other houses of the neighborhood; it is not hiding anything and still have available vision.

Additional consideration:

1. Explain how the variance arises from special circumstances, which do not generally apply to land in the general vicinity (please specify/identify).

N/A

2. Explain how the strict application of the provisions of the regulation would deprive the applicant of the reasonable use of the land or would create unnecessary hardship.

N/A

3. Are the circumstances the result of actions of the applicant taken subsequent to the adoption of the regulation from which relief is sought?

N/A
