Hello,

I am writing to give you an overview of the Neighborhood meeting for Flip the script.

On 8/3/21 we had a neighborhood meeting about Flip the Script. The meeting started at 6pm . There was about 10 neighbors present . I had everyone sign a sign in sheet( I can forward if you would like ). There was a lot of people who were not in agreement with Flip the Script. They stated that it would drive down the value of their homes and that they just didn't want it in their neighborhood. I then gave a tour and was able to answer more questions about the program . Some of their questions like how long was the program ? Who decided if they met criteria for the program . The meeting ended around 7:30 . A few members had decided at the end that they were undecided if they were against Flip the script as it could help people.

Please let me know if you need anything else.
