Letter of Explanation

Flip The Script is a structure transitional Sober living home. Staff is always there 24 hrs a day and sometimes 2. We have resources to provide for each individual is able regain their place in society. All are screen before even coming there. They normally are refer from other residentual Places who also screen them there also. All our individuals must fit the requirements if they are able to come to our Sober living. No hanging out front of our place and we have curfew. Just for the time we been there many People don't even know we there. Unless they driven by there own Prejudices from not understand we are not a "flop" house. We are a transitional Home
