Enactment No: Ordinance 072-2020

A motion was made by Council Member Coan, seconded by Council Member Ackerson, that this Ordinance be amended to strike Project #55, Oddfellows Disposition.

Council Member Coan stated that Project 55 is related to the Omni Hotel project and that Louisville Metro has an obligation to clear a parcel of the property that has a building on it that is being considered by the Landmarks Commission. He also mentioned the recent change to the Ordinance regarding historic buildings that requires a development plan before a building that is more than 50 years old can be demolished, and stated that the Omni has not presented such a plan so this is not likely to be a project that takes place in the next year.

Council Member Winkler spoke against the amendment and stated that putting the money in the budget does not mean that the building will be torn down anytime soon, but allocates the money if or when the time comes.

Council Member Hollander spoke against the amendment and stated that the allocation is an authorization to spend the money if action is needed on the site by June 30, 2021, and that money would not be borrowed at this time.

Council Member Sexton Smith spoke against the amendment and stated that her vote does not mean that she is in favor of the demolition of the Oddfellows property, and that it is not fiscally responsible to remove the allocation should action need to be taken on the site before June 30, 2021.

The motion to amend failed by the following vote:

Yes: 2 - Coan and Ackerson

No: 23 - Green, Shanklin, Dorsey, Sexton Smith, Purvis, James, McCraney, Hollander, Mulvihill, Kramer, Blackwell, Fox, Fowler, Triplett, Reed, Winkler, Parker, Piagentini, Benson, George, Engel, Peden and Flood

Council Member Fowler asked for clarity regarding the Blevins Gap project to make sure that she is allocating \$100,000 for the project and not \$125,000. Council Member Hollander clarified that the additional \$25,000 was remaining in District 14's Capital Infrastructure Fund account.

[During the roll call vote on the final amended Ordinance as recorded below, Council Member Shanklin explained that her vote against the budget was because she did not feel like it was a fair budget.]

- How Entertainment Destination Centers help promote business and tourism
- NuLu Marketplace is a new development that is ready to open, has seven to nine businesses that have already signed agreements to come to this area, and covers about 55,000 square feet
- The differences between NuLu Marketplace and the other three Entertainment Destination Centers in Louisville which are larger in size and have numerous businesses included
- NuLu Marketplace consists of about a quarter of a block and very few businesses
- Whether favoritism is being shown for one developer
- Promoting the entire NuLu area
- Similarity of models used at Colonial Gardens and NuLu Marketplace
- Other NuLu area businesses can also apply for the same opportunity to be Entertainment Destination Centers
- Public should not think that this discussion is about the possibility of an open-carry situation where people can walk around in the public right-of-ways anywhere in the community with their open alcoholic beverages
- The amount of square feet required for an Entertainment Development Center pursuant to Kentucky Administrative Regulations and provisions that allow for this situation to go forward without that requirement being met
- Having other businesses involved in this would help meet the legal requirements including one that requires \$5M investment in the area
- Responsibility is with Louisville Forward and not each Council Member to help with these projects in order to see the larger picture and, in this situation, encompass more businesses in the project
