This item was held in committee.

2. [R-090-20](#)**A RESOLUTION URGING THE ADOPTION OF POLICIES TO INCREASE TRANSPARENCY INTO, AND EXPEDITE CLOSURE OF, POLICE INVESTIGATIONS.**

**Sponsors:** Primary David James (D-6) and Primary Jessica Green (D-1)

**Attachments:** [R-090-20 V.1 062520 - Transparency RE Police Investigations.pdf](#)

A motion was made by Committee Member Sexton Smith, seconded by Committee Member Fox, that this Resolution be recommended for approval.

The following spoke to the item:

- Council President James
- Chair Person Green
- Committee Member Sexton Smith
- Council Member McCraney

The following was discussed:

- Brief overview regarding what the Resolution was about for a better understanding for the public
- Transparency with Metro Government especially right now with the Louisville Metro Police Department
- Trayvon Martin - Public criticism over the handling of the case
- Shelby Gazaway - Shot and killed by police officers, police department released the body cam video but Kroger's video was much better and the police didn't release the video
- Breonna Taylor's lawyer filed a Civil Lawsuit, the case is still in limbo
- David McAtee shot and killed - Police Department released the video from the restaurant due to the officers not having their cameras on them
- Documents that will not be released (Example - When Officers interview people these interviews would not be open to the public until after the case is closed; Evidence gather in an investigation would not be released until the case is closed)
- Information normally available - 911 Calls, body camera data and Safe Computer Aided Dispatch logs
- When autopsies are available they should be released
- The Police Department should not be able to requested the coroner to keep reports as a secret - The reports should be open to the public
- All items that this Resolution captivate are typical the kinds of items that anybody can log into their computer 48 hours after an incident occurs and requested the report -The way they have been used in the past often involves frustration for families

The motion carried by a voice vote and the Resolution was sent to the Consent Calendar.

## Adjournment

**\*NOTE:** Items sent to the Consent Calendar or Old Business will be heard before the full Council at the Metro Council Meeting on August 6, 2020.
