WHEREAS, Louisville/Jefferson County Metro Government ("Metro Government") is a consolidated local government and political subdivision of the Commonwealth of Kentucky (the "Commonwealth") and as such is authorized by the Industrial Buildings for Cities and Counties Act, as amended, KRS 103.200 to 103.285 (the "Act"), to issue industrial building revenue bonds for the purpose of defraying the cost of any "industrial building" (as defined in the Act), including specifically land, buildings, improvements, equipment,

machinery, and other facilities suitable for use as health-care or related facilities, in order to accomplish the public purpose of promoting the economic development of the Commonwealth, relieving conditions of unemployment, and encouraging the increase of industry therein, **provided that such bonds are payable solely from the revenues derived from the industrial building and do not constitute an indebtedness of Metro Government within the meaning of the Constitution and laws of the Commonwealth.**

WHEREAS, on December 2, 2010, by its Ordinance No. 233, Series 2010, the Metro Council of Louisville/Jefferson County Metro Government (“Metro Council”), after determining that the acquisition and constructing of a 25,000 square foot, two story medical office building located at 1935 Bluegrass Avenue, Louisville, Kentucky (the land, buildings, improvements, furniture, fixtures and equipment comprising such project being hereinafter collectively referred to as the “Project”) met the public purposes of promoting economic development of the Commonwealth, relieving conditions of unemployment, and encouraging industry herein, authorized and approved the issuance of bonds as provided for in the Act.

WHEREAS, on December 28, 2010, Metro Government issued pursuant to the Act its (1) Louisville/Jefferson County Metro Government Recovery Zone Facility Revenue Bonds, Series 2010A (ECL Properties, LLC Project) in the original principal amount of \$3,500,000.00 (the “Series 2010A Bonds”), and (2) Louisville/Jefferson County Metro Government Recovery Zone Facility Revenue Bonds, Series 2010B (ECL Properties, LLC Project) in the original principal amount of \$628,305.00 (the “Series 2010B Bonds”, collectively with the Series 2010A Bonds, the “Bonds”), for the benefit of ECL Properties, LLC, a Kentucky limited liability company (the “Company”) to defray the cost of acquiring and constructing the Project.

WHEREAS, at the same time as the issuance of the Bonds, Metro Government authorized the execution and delivery of a Bond Purchase and Loan Agreement (the “Bond and Loan Agreement”) among Metro Government, the Company, and the Bondholder.

WHEREAS, pursuant to the Bond and Loan Agreement, the Company executed and delivered to Metro Government on December 28, 2010, (1) a promissory note in the principal amount of \$3,500,000.00 (the “Series 2010A Note”), and (2) a promissory note in the principal amount of \$628,305.00 (the “Series 2010B Note” and collectively with the Series 2010A Note, the “Notes”), in each of which the Company promised to make payments in amounts sufficient to pay principal of and interest on the respective Bonds when due. The Bondholder purchased the Bonds, and as a result, Metro Government assigned all of its right, title and interest in the Notes to the Bondholder.

WHEREAS, the Series 2010B Bonds and the Series 2010B Note have since been paid off by the Company and are no longer in effect.

WHEREAS, the Company has requested Metro Government approve the amendment and restatement of the Series 2010A Bonds to reflect an interest rate equal to (i) the sum of the 5 Year Federal Home Loan Bank Rate plus 2.15% (ii) multiplied by 0.68, until the next Index Rate Change Date (as defined in the Series 2010A Bonds), with an interest rate floor equal to 4.16% per annum (as adjusted on each Index Rate Change Date), and authorize the execution and delivery of the First Amendment to Bond Purchase and Loan Agreement, the Amended and Restated Bonds and any other documents deemed necessary by the Bondholder to effectuate the amendment to the interest rate (collectively, the “Bond Documents”) and take any and all related actions.

WHEREAS, the Bondholder has consented to the amendment to the interest rate of the Series 2010A Bonds.

WHEREAS, Metro Government has determined that it is necessary and proper to authorize the amendment to the interest rate of the Series 2010A Bonds and to authorize the execution and delivery of the

Bond Documents and to take any and all related actions.
