Appendix 2B TNZD Report 2.7.5 Traditional Neighborhood Zoning District - Old Louisville / Limerick

A. TNZD Land Uses **Tables**

1. Table ~~2.4~~ **2.7.4**, below, lists the uses permitted within the Old Louisville/Limerick TNZD. **In the event of a conflict between the general listing of uses in Table 2.7.4 below and the specific listing of uses in Tables 2.7.5 through 2.7.21, the specific listing of uses shall control.**
2. **The 'Standards' column of the table cross-references special standards found in other parts of the Land Development Code that apply to the specific use. A use designated as permitted subject to standards (PS) in Table 2.7.4 is permitted subject to standards, even if the cross-**

referenced standard is for a use requiring a Conditional Use Permit in the remainder of the Land Development Code. A use designated as a Conditional Use (P/CU) in Table 2.7.4 requires a Conditional Use Permit, even if the cross references standard is for a use that is permitted subject to standards in the remainder of the Land Development Code.

3. The following table sets forth the meaning of the symbols used in Table 2.7.4. below.

Symbol	Meaning
P	The described use is permitted, subject to design and location standards where noted.
P/M	The described use is permitted where mapped. Mapped uses recognize traditional uses of structures existing on each lot pursuant to KRS 100. 201(3) or, in the case of vacant development sites, appropriate compatible uses.
NP	The use is not permitted.
P/CU	The use is permitted as Conditional Use <u>in accordance with Chapter 11, Part 5A of the LDC.</u>
PS	The use is permitted with special standards <u>in accordance with Chapter 4 or Chapter 11 of the LDC.</u>
N/A	Not applicable, since commercial uses are permitted in the Neighborhood Transition-Center, Neighborhood Center, Neighborhood Center Transition: Edge Transition, and Neighborhood General Campus Edge Transition.
<u>P/M or P/CU</u>	<u>The use is permitted where mapped but newly established uses are permitted as a Conditional Use.</u>
*	Plus one dwelling unit in the accessory structure area.
**	<u>See Table 2.5.1 for the specific permitted uses. Commercial uses, colleges, schools, institutions of learning and office</u> Uses are permitted at ground level facing the street only where shown as Street Front Commercial on the TNZD Plan Map. <u>Colleges, schools, institutions of learning and office</u> <u>These</u> uses shall not exceed 25% of the total area mapped as Street Front Commercial.

- 1.** The provisions of the Motor Vehicle and Bicycle Parking and Loading Standards for Traditional Neighborhood Form Districts as established in chapter 9 of the Land Development Code shall apply to the Old Louisville/Limerick TNZD, except as modified below.
- 2.** Parking lots may not be adjacent to a street intersection or a square and may not occupy lots that terminate a street vista. Parking lots otherwise located adjacent to a street or a residential use shall be screened in accordance with the standards of the Land Development Code. The sole access to all off-street surface parking shall be from the alley where an alley abuts the lot. Where existing alley design or configuration limits or significantly impedes access to the proposed parking; or when the

addition of the proposed parking will significantly increase traffic on the affected alley, the Planning Commission can grant exceptions to this rule.

3. New Accessory Residential Units (Carriage Houses) on residential lots shall not be considered as additional units for the calculation of minimum parking requirements but shall provide one additional parking space for the accessory residential unit.
4. Parking for commercial uses in the Neighborhood Center and Neighborhood Transition - Center zones, as well as for corner commercial structures in the Neighborhood General, shall not exceed the parking minimum requirements established by Chapter 9 of the Land Development Code. Uses in the Neighborhood Center may provide required parking anywhere in the Neighborhood Center without application for a waiver, provided that all site design standards are met. Shared parking facilities are encouraged in the Neighborhood Center, Neighborhood Transition - Center, **Neighborhood Center Transition: Edge Transition**, and the Neighborhood General Campus Edge Transition.

- 4.D.** Corner **Lot** Commercial structures shall have not more than one **lighted or non-lighted illuminated or non-illuminated** attached, awning, or canopy sign facing each street, which shall not exceed 12 sq. ft. in area and shall not extend more than 12" from the face of the façade. A projecting sign having a maximum area of 6 sq. ft. and projecting not more than 42" from the façade may be used in lieu of an attached, awning, or canopy sign.
- 5.E.** Bed and breakfasts **Inns** and **General/Business or** professional **or business** offices (where these uses are permitted, and excluding Home Occupations) shall have a maximum of one attached sign not to exceed **6 12** sq. ft. in area located on the principal façade or porch adjacent to the principal building entrance.
- 6. A Corner Lot Commercial structure, a bed and breakfast, or a business or professional office may have a sign, in addition to those permitted in paragraphs 4 and 5 above, on a façade of the building that is not adjacent to the street provided that the sign has a maximum area of 24 square feet.**
- 7. Exception: Bed and Breakfast Inns A nonresidential or mixed use property** may have one **freestanding monument-style** sign, in lieu of any **attached other permitted** sign **type, excluding signature signs on certain properties as set forth in paragraph 11 below, in accordance with the following standards:**
 - a. **The monument-style sign which** shall not exceed **6 20** sq. ft. in area and shall be located within 6 feet of the principal façade of the structure.
 - b. **The maximum overall height of the monument-style sign shall be 4 feet.**
 - c. **There shall be a minimum separation of 15 feet between the front right-of-way line and the principal façade of the structure.**
 - d. **The monument-style sign shall be set back a minimum of 15 feet from any side property line.**
- 8.F.** No sign shall be mounted above the sill of the second floor windows of a structure.
- 9.G.** All lighted signs shall **either only** be externally illuminated, **or, if internally illuminated, such signs shall have opaque, non-illuminated face panels. Only the individual letters and / or logos may be back-lit, not the entire surface of the sign.**
- 10. One internally illuminated window sign per entrance may be located on the first floor of a**

nonresidential or mixed use structure. The internal illumination may be from a neon source. The maximum area of the window sign shall be five square feet.

- 11. In addition to a permitted monument-style sign, a nonresidential or mixed use property that is a minimum of one-half acre in area may have signature signs as set permitted in Section 4.4.3.
