WHEREAS, the Council concurs in and adopts the findings of the Planning Commission for the zoning change in Case No. 22ZONE0043 and approves and accepts the recommendation of the Planning Commission as set out in said minutes and records, with an amended binding element.

NOW, THEREFORE, BE IT ORDAINED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT AS FOLLOWS:

7. The developer/owner shall be responsible for submitting an annual

report to Planning & Design Services staff at 12-month intervals from the date of the first certificate of occupancy (for a residential unit), until all affordable owner-occupied units have been issued building permits and for a period of 15 years after the last affordable rental unit building permit has been issued. The annual report shall be in a commercially reasonable form approved by Planning and Design Services staff and generally include, but not be strictly limited to, identify the name of the development, the unit numbers, the unit addresses, and the sale price and/or rental rates of the designated affordable units and shall certify that the developer/owner has made a good faith effort to verify that the tenants/purchasers were income eligible at the time of rental/purchase. The annual report compliance shall not require the developer/owner to utilize any third-party accounting or certification. The annual report shall indicate separately the number of building permits issued for owner occupied and for rental dwellings. Prior to selling any affordable units, the developer/owner shall work with Planning and Design Services staff to develop provisions that will cover any subsequent transfers of ownership during the affordability period, which shall be for 15 years from the date of certificate of occupancy for such unit. Such provisions shall be negotiated and agreed to prior to the sale of any units.
