WHEREAS, Metro Government proposes to enter into, at the appropriate time, one or more Lease Agreements with the Company under which the Company will covenant and agree to pay amounts sufficient to provide for the payment of principal of and premium, if any, and interest on each series of the Bonds, together with all trustee, paying agent, and/or servicing agent’s fees in connection with each Bond series, and any other related charges as the same come due and payable; and

EXHIBIT C

Form of Payment In Lieu of Taxes Agreement

PAYMENT IN LIEU OF TAXES AGREEMENT

This PAYMENT IN LIEU OF TAXES AGREEMENT, effective as of \_\_\_\_\_ (this “Agreement”), is made by and between:

- (i) the LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT, KENTUCKY, a political subdivision of the Commonwealth of Kentucky (“Metro Government”); and
- (ii) BROWN-FORMAN CORPORATION, a Delaware corporation, or an affiliate thereof (collectively, the “Company”).

WITNESSETH

WHEREAS, Jefferson County Public Schools (the “District”), by and through its Board of Education (the “Board of Education”), is a body politic and corporate existing under Section 160.160 of the Kentucky Revised Statutes (“KRS”) and has the

authority under KRS 160.460 through 160.476 to levy *ad valorem* taxes for school purposes on all property subject to local taxation with a taxable situs in the District (“School Property Taxes”);

WHEREAS, the Company or an affiliate thereof is currently acquiring, constructing and installing an industrial project of the Company consisting of the facilities and properties described in Attachment A attached hereto (collectively, the “Project”), such Project being within the geographic boundaries of Metro Government and the District; and

WHEREAS, the Project represents new investment and is expected to generate new employment within Metro Government and the District; and

WHEREAS, on [\_\_\_\_], Metro Government adopted a Bond-authorizing Ordinance (the “Ordinance”) providing for, among other things, the issuance of taxable industrial building revenue bonds over a period of years in an aggregate principal amount of up to \$[\_\_\_\_] (the “Bonds”) for the benefit of the Company, pursuant to KRS 103.200 through 103.285, inclusive, (the “Act”), to finance the acquisition, construction and installation of the Project, to acquire title to the Project and to lease said portion back to the Company, all pursuant to the Act; and

WHEREAS, Metro Government and the Company have agreed that title to the Project will be conveyed to Metro Government and leased back to the Company, pursuant to the Act, so long as the Bonds are outstanding; and

WHEREAS, a condition of Metro Government’s agreement to enter into the documents necessary to vest title to the Project in Metro Government and to effect the lease of the Project to the Company, the Company has agreed to make certain payments to the Board of Education in lieu of School Property Taxes and to enter into this Agreement with respect thereto;

NOW, THEREFORE, in consideration of the foregoing, the mutual agreement of the parties contained herein and other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

21. Recitals Incorporated. It is hereby found, determined and declared that the recitals set forth in the preambles to this Agreement, including the definitions contained therein, are true and correct and are hereby incorporated in this Section 1 by reference.

22. Project Exempt from Taxation. It is understood, acknowledged and agreed by the parties that pursuant to KRS 103.285, the Project is exempt from taxation by Metro Government, the Board of Education and other political subdivisions in the Commonwealth of Kentucky to the same extent as other public property used for public purposes, so long as same is owned by Metro Government. It is further understood, acknowledged and agreed by the parties that the distilled spirits stored in or at the Project will not be governed by KRS 103.285.

23. Agreement to make PILOT Payments. In consideration of Metro Government’s agreement to issue the Bonds and take all other actions authorized by the Ordinance, the Company hereby agrees that in each calendar year during the term of this Agreement with respect to each series of the Bonds beginning on and after the first January 1st assessment date following issuance of said Bonds (each an “Assessment Date”) that Metro Government owns the Project or any portion thereof, the Company shall make a payment computed as indicated below, equal to the amount of all School Taxes levied on the Project or the portion thereof owned by Metro Government that otherwise would have been due and payable to the Board, as if the Project were owned by a tax-paying entity and subject to payment of School Property Taxes absent the application of KRS 103.285 (each, a “PILOT Payment” and together, the “PILOT Payments”), for each of the Assessment Dates following issuance of the Bonds while the Bonds remain outstanding.

24. Calculation of PILOT Payments. The amount of the PILOT Payment in each calendar year shall be equal to (i) the Fair Cash Value (as hereinafter defined) of the Project as of January 1 of such calendar year, multiplied by (ii) the *ad valorem* tax rate levied by the Board of Education for such calendar year under KRS 160.460 through 160.476. If, in any calendar year during which the foregoing calculation is made, the Board of Education has levied different *ad valorem* tax rates on different classes of property subject to School Property Taxes, the foregoing calculation shall be made separately for each such class of property that is included within the Project.

25. Determination of Fair Cash Value of the Project. The Jefferson County Property Valuation Administrator (the “PVA”) is responsible for establishing the assessed value of real estate within Jefferson County for the purpose of imposing real property taxes. The Department of Revenue, Kentucky Finance and Administration Cabinet (the “Department”), oversees the assessment of personal property within Metro Government for the purpose of imposing personal property taxes. The “Fair Cash Value” of the real property portion of the Project shall be as determined annually by the PVA as if the Project were owned by a tax-paying entity. The “Fair Cash Value” of the personal property portion of the Project shall be annually determined using its original cost, age and the applicable trending tables published by the Department in its Form 62A500 (Tangible Personal Property Tax Return), adjusted to take into account the scrapping, removal or other disposition of personal property in the ordinary course of

business.

26. Valuation Appeal Rights. Each of the Board of Education and the Company shall have the right at its sole expense and in its own name and without any expense to the other party, to seek and prosecute in good faith an adjustment, by administrative appeal or litigation or otherwise, of any tax assessment made by the PVA of the real property portion of the Project, and if any adjustment is made the PILOT Payments shall be calculated based upon the assessment resulting from such adjustment. If for any reason the Project or any part of the property included within the Project is legally placed on the *ad valorem* tax rolls, the obligation of the Company to make the PILOT Payments shall terminate with respect to that property on and after January 1 of the following calendar year, and the owner of the property shall thereafter pay *ad valorem* taxes on that property as required of a tax-paying entity.

27. Timing of PILOT Payments. Any PILOT Payment payable in any calendar year hereunder shall be paid at the same time and in the same manner as School Property Taxes for such calendar year, except that the Company shall deliver the PILOT Payment to the Board of Education, at the address provided in Section 9 below, instead of the regular tax collector along with supporting calculations. The PILOT Payment for each such calendar year shall be due and payable in full no later than two full months from the date the bill for the School Property Taxes is issued in accordance with KRS 134.015; provided, however, if the Company pays a PILOT Payment to the Board of Education on or before any discount date established pursuant to KRS 134.015 for the School Property Taxes, the Company may reduce the PILOT Payment by the corresponding discount percentage, and provided further that the Company pays a PILOT Payment to the Board of Education after the due date established pursuant to KRS 134.015 for the School Property Taxes, the Company shall increase the PILOT Payment by the corresponding penalty percentage.

28. Termination. Notwithstanding any other provision herein and with the exception of Sections 1 and 2 hereof, this Agreement shall terminate on the day immediately following the first date that no Bonds issued by Metro Government pursuant to the Ordinance remain issued and outstanding.

29. Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when delivered or mailed by registered or certified mail, postage prepaid, or sent by telegram, addressed as follows:
