WHEREAS, by Ordinance No. 135, Series 2004, the Council found that the Renaissance Zone is an

area in need of public improvement, that redevelopment of the Renaissance Zone (the “Project”), as preliminarily presented to Louisville Metro Government by the Authority in the “Pilot Program Preliminary Planning” report dated November 2003, should result in increased employment within the Renaissance Zone, and that the Project constitutes a “project” within the meaning of the Pilot Program Legislation; and

WHEREAS, by Resolution No. 131, Series 2006, the Council requested that the Louisville Metro Planning Commission (“Planning Commission”) hold a public hearing and make a recommendation on a proposed map amendment to reflect the recommended zoning classification of a portion of the Renaissance Zone as described in such resolution (the “2006 Property”); and

WHEREAS, by Ordinance No. 220, Series 2006, the Council adopted the findings of the Planning Commission and approved and accepted the recommendations of the Planning Commission with respect to the 2006 Property, thereby changing the zoning classification for the 2006 Property from R-4 and R-5 to EZ-1; and

WHEREAS, by Resolution No. 13, Series 2011, the Council requested that the Planning Commission hold a public hearing and make a recommendation on a proposed map amendment to reflect the recommended zoning classification of additional portions of the Renaissance Zone as described in such resolution (the “2011 Property”); and

WHEREAS, by Ordinance No. 112, Series 2011, the Council adopted the findings of the Planning Commission and approved and accepted the recommendations of the Planning Commission with respect to the 2011 Property, thereby changing the zoning classification for the 2011 Property from R-4, R-5, R-6, R-7, C-1, and C-2 to EZ-1; and

WHEREAS, the Council wishes to initiate the zoning map amendment process to include additional portions of the Renaissance Zone in the EZ-1 zoning classification, and, as such, requests that the Planning Commission hold a public hearing and make a recommendation on the proposed map amendment to reflect the recommended zoning classification of such portions of the Renaissance Zone; and

WHEREAS, the Council has attached a description of the property to be rezoned as "Exhibit A," which is intended to be a rough description subject to revision after the Planning Commission conducts its study of the proposed area-wide rezoning, and the Council wishes to have the input of the Planning Commission in determining the appropriate boundaries of the area necessary to facilitate the development of the property;

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT AS FOLLOWS:
