### RESOLUTION NO. \_\_\_\_\_, SERIES 2017

**A RESOLUTION REQUESTING THE PLANNING COMMISSION TO REVIEW THE LAND DEVELOPMENT CODE REGULATIONS WITH REGARD TO THE PRESERVATION OF TREES AND TO INCREASE THE PERIMETER TREE PRESERVATION REQUIREMENTS.**

**WHEREAS**, the application of the Land Development Code as currently written does not adequately buffer adjacent development; and

**WHEREAS**, greater perimeter landscape buffers will protect existing development and make

new development more compatible.

**NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT AS FOLLOWS:**

**SECTION I:** The Planning Commission shall undertake a review of the current Land Development Code and adopt amendments thereto to increase the requirements to preserve tree canopy, specifically any existing perimeter tree masses to a depth of 30 feet where proposed commercial and residential development are adjacent to existing residential development.

**SECTION II:** This Resolution shall take effect upon its passage and approval.
