ORDINANCE NO. _____, SERIES 2019

SPONSORED BY: COUNCILMEMBERS COAN, FOWLER, GREEN, JAMES, SHANKLIN AND SEXTON SMITH

WHEREAS, within the Louisville/Jefferson County Metro area, numerous individuals are arrested each year for nonviolent marijuana offenses, which result in a substantial cost to taxpayers; and

WHEREAS, making adult marijuana possession intended for personal consumption the city's lowest law enforcement priority will reduce expenditures on law enforcement and punishment of these offenses and resources would be better spent fighting serious and violent crimes; and

WHEREAS, prosecuting individuals for possessing small amounts of marijuana does little to

deter drug abuse but does increase the number of people negatively affected by criminal records; and

WHEREAS, a growing number of states and cities have recently passed laws that decriminalize make possession of marijuana and specifically small amounts of marijuana the lowest law enforcement priority for personal consumption; and

WHEREAS, Metro Council now adopts the lowest level enforcement priority for possession of marijuana for personal consumption for Louisville Metro Government; and

WHEREAS, the enactment of a new section of Louisville Metro Code of Ordinances (“LMCO”) will make investigation, citations, and arrests of adults for possession of a small amount of marijuana intended for personal consumption the city’s lowest law enforcement priority, without superseding existing state or federal law.

SECTION I: Creates a new section of LMCO as follows:
