THIS FRANCHISE AGREEMENT made and entered into this ____ day of _____ 2020, by and between the Louisville/Jefferson County Metro Government (hereinafter "Louisville Metro") and

InterCarrier Networks, LLC (hereinafter "InterCarrier").

WITNESSETH:

WHEREAS, pursuant to Chapter 116 of the Louisville/Jefferson County Metro Government Code of Ordinances, Louisville Metro solicited bid proposals from parties interested in obtaining communications services franchises to erect, install, and/or maintain communications facilities, or to provide communication services by use of said communication facilities within the confines of Louisville/Jefferson County, Kentucky; and

WHEREAS, InterCarrier is a wholly owned and managed subsidiary of Great Plains Communications, LLC, the Federal Communications Commission transfer authorization being effective July 19, 2019, through WC Docket number 19-141; and

WHEREAS, InterCarrier submitted a bid proposal to Louisville Metro for a communications services franchise that meets all requirements of Chapter 116 of the Louisville/Jefferson County Metro Government Code of Ordinances and all other applicable state and federal laws; and

WHEREAS, pursuant to Ordinance No. __, Series 2020, Louisville Metro granted to InterCarrier, for a period of 20 years, a non-exclusive franchise to erect, install, and/or maintain communications facilities, or to provide communication services by use of said communication facilities within the confines of Louisville/Jefferson County, Kentucky, pursuant to Chapter 116 of the Louisville/Jefferson County Metro Government Code of Ordinances; and

WHEREAS, Louisville Metro and InterCarrier have entered into this Franchise Agreement to memorialize the award by Louisville Metro to InterCarrier of said franchise pursuant to the terms and conditions reflected in Chapter 116 of the Louisville/Jefferson County Metro Government Code of Ordinances.

NOW THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the receipt and sufficiency of which are hereby acknowledged, Louisville Metro and InterCarrier hereby agree to incorporate the foregoing recitals as if fully set forth herein and further agree as follows:

1. Chapter 116 of the Louisville/Jefferson County Metro Government Code of Ordinances, as now written and as it may be amended during the term of this franchise agreement, is incorporated herein by reference in its entirety and shall apply as if fully set forth herein.

2. The bid of InterCarrier for said franchise, which is attached hereto as Exhibit A, is incorporated herein by reference in its entirety and shall apply as if fully set forth herein.

3. InterCarrier agrees to comply with all applicable requirements as set forth in the Louisville Metro Public

Works & Assets Utility Policy.

4. Upon thirty (30) days' notice prior to installation, the Franchisee agrees to allow Louisville Metro to attach to Franchisee owned poles, at no cost to Louisville Metro, equipment and associated accessories that are used solely for public health, safety, or welfare purposes of Louisville Metro (i.e. cameras and sensors, hereinafter, "equipment"). Louisville Metro will be responsible for all costs associated with the installation of this equipment, including costs for any required load bearing survey, and all costs associated with the operation of the equipment, including but not limited to maintenance of the devices, electric service, and network connectivity. The Franchisee shall maintain rights in reviewing its capacity for the equipment and determining placement of equipment on its poles so as to avoid damage or conflict with the Franchisee's equipment or other authorized attachments. Any proposed installation shall be conditioned on (i) availability and space, (ii) non-interference with existing users, and (iii) structural capacity. If it is determined that the Franchisee has excess capacity in their dark fiber network at a location where a camera is to be installed, Louisville Metro and the Franchisee may negotiate a fee for use of the excess fiber capacity to connect the equipment to the Louisville Metro network.

5. Louisville Metro granted unto InterCarrier a non-exclusive franchise, for a term of 20 years, to erect, install and/or maintain communications facilities, or to provide communication services by use of said communication facilities within the confines of Louisville/Jefferson County, Kentucky, and as more specifically identified in the above-mentioned bid pursuant to Chapter 116 of the Louisville/Jefferson County Metro Government Code of Ordinances.

6. The franchise memorialized in this Franchise Agreement shall commence on passage of the Ordinance approving this agreement and shall expire in the time designated in this agreement and ordinance approving this agreement.

7. InterCarrier does hereby bind itself, its successors and assigns, to faithfully and fully perform each and every condition of said franchise as memorialized in this Agreement, and further to faithfully perform all acts required of it as the purchaser of said franchise.

8. This Franchise Agreement memorializes the agreement between the parties and shall be binding upon and inure to the benefit of the respective successors in interest to the parties hereto.
