Dear Supporter,

Re: Sponsorship Opportunity for Dining for Dignity Fundraiser Breakfast

We are delighted to invite you to support and sponsor For Lady's Sake at our third annual fundraising breakfast, Dining for Dignity! This event will take place in Louisville, KY, on October 18, 2026, in honor of National Period Day, and aims to raise awareness and funds to support menstrual equity in our community.

For Lady's Sake (FLS) is a nonprofit organization committed to ensuring everyone has access to essential period products. We aim to break down barriers and stigmas associated with menstruation, making period products accessible to all. Funds raised from this event will directly support our community outreach programs, product distribution, and educational initiatives.

We offer a variety of sponsorship packages designed to provide significant exposure and engagement opportunities for your business. Your support will not only help promote menstrual health and dignity but also align your brand with a cause that resonates with many.

With your support, we can make a significant impact on menstrual health and dignity in our community. We would be honored to have you join us as a sponsor for this important event.

For more information or to secure your sponsorship, please contact Karen Zahaluk at info@forladyssake.com. We look forward to partnering with you to promote menstrual equity.

Thank you for your consideration.

Warm regards,

For Lady's Sake

IT STARTS WITH *DIGNITY*

In 2025, For Lady's Sake continued to lead with purpose, compassion, and community. Through strategic partnerships, expanded programming, and grassroots advocacy, we strengthened access to period products while deepening conversations around menstrual equity across Kentuckiana.

This year reflected what's possible when community, education, and action come together — and we're just getting started.

What's New

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
