SECTION 5 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

Prominent Youth of America Arts and Culture Summer League will operate over a six week period from June 22, 2026 through July 31, 2026, serving youth Monday through Friday from 7:30 AM to 2:30 PM, totaling 7 hours per day and 210 hours per participant, with 1,050 total program hours delivered across all participants. This free summer enrichment program is designed to serve 20 youth ages 8 to 17 who are enrolled in Jefferson County Public Schools and reside in Jefferson County, with a priority focus on youth from underserved communities within Louisville Metro Council District 6. The program provides a structured combination of academic support in Language Arts and Math along with hands on multimedia learning, including television and film production, podcast development, scriptwriting, and short film creation. Participants will engage in project based learning experiences that strengthen literacy, critical thinking, communication, and digital media skills while creating original content that reflects their voices and experiences. The program combines Language Arts and Math with hands on multimedia learning, including television and film production, podcasting, scriptwriting, and short film creation. Youth will build literacy, communication, and digital media skills while creating original content. At least 20 youth are expected to show improved academic performance, and participants will receive daily meals, snacks, and weekly field trips to arts and cultural institutions such as museums.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

Funding for the Arts and Culture Summer League will be used to support direct program delivery, youth engagement, and enrichment experiences for participating students. A total of \$16,800 will be allocated toward staffing, including two Program Facilitators who will provide daily academic instruction and multimedia training, and two Youth Counselors who will support supervision, mentorship, and daily program operations. These staff members will work Monday through Friday from 7:30 AM to 2:30 PM over the six week program period, ensuring consistent, high quality instruction and a safe, structured environment for all participants. Additional funding will support weekly Arts and Culture Educational Field Trips, including transportation through Miller Transportation, with costs ranging from \$1,950, and admission to local institutions such as the Kentucky Science Center, Roots 101 Museum, Speed Art Museum, Muhammad Ali Center, Frazier History Museum, and Jeffersonville Aquatic Center, totaling \$2,655.53. Student enrichment will also include copyright registration through the Library of Congress for original student created media projects, totaling \$1,300 for 20 participants. Supplies totaling approximately \$378.97 will include multimedia equipment such as pocket vlogging cameras and art materials for creative projects. Food costs will include \$1,200 for field trip meals and \$600 for weekly snacks, ensuring students have access to nutritious options throughout the program. No funding will be distributed to sub grantees, as all funds will be managed and administered directly by Prominent Youth of America to support program implementation.

Metro Funds will cover:

\$6,000 - personnel for 2 program facilitators + 2 youth counselors

\$1,950 - In Town Travel w/ Miller Transportation for field trips

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

The The Arts and Culture Summer League will deliver measurable academic, social, and career pathway readiness benefits to 20 participating youth through integrated instruction in Math, Literacy, and multimedia arts. Participants will strengthen reading comprehension, writing, and mathematical thinking while applying these skills through hands on activities such as video production, podcasting, scriptwriting and digital storytelling. Students will learn the 8 elements of film, develop storyboards, and produce original content using cameras and mobile editing tools, resulting in at least one completed multimedia project per participant. Creative expression activities will also build confidence, communication, and critical thinking while addressing topics such as civic engagement and youth advocacy. Additional outcomes include increased exposure to arts and culture through museum visits, improved teamwork and leadership skills, and access to daily meals and snacks that support consistent participation and overall well being. Program outcomes will be measured through a structured data collection process that includes pre and post assessments in reading and math to track academic improvement and prevent summer learning loss.

Attendance records and daily participation logs will measure engagement, while facilitator evaluations and student surveys will assess growth in leadership, teamwork, and confidence. The program will also utilize the Staff Rating of Youth Behaviors SRYB, an observational assessment tool completed by staff at the beginning and end of the program to measure changes in behaviors such as cooperation, self control initiative, and social interaction. Additional indicators will include completion of multimedia projects, submission of copyright applications, participation in field trips, and consistent attendance. These data points will demonstrate the program's effectiveness in improving academic performance, strengthening social skills, and preparing youth for future educational and career opportunities.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

Prominent Youth of America maintains strong collaborative relationships with a diverse network of community organizations that support youth development, education, and creative enrichment. Key partners include New Directions Housing Corporation and the Republic Bank Foundation YMCA, both of which provide access to safe program space and shared community resources that allow programming to take place in trusted neighborhood settings. The Best Buy Teen Tech Center contributes access to technology, equipment, and creative workspaces that support hands on multimedia learning. Additional creative partners such as Jermaine Bibb with SL Media, DJ John Q from Magic 101.3, Stoner Productions 26 Dreams, The Mattel Group, and Lady Sunshine Creations provide industry insight, media resources and support in video production, broadcasting, graphic design, and branding enhancing the real world learning experience for participating youth.

For this specific program, partners play a direct role in strengthening both program quality and participant outcomes. Dare to Care through its Kids Café initiative supports food access by helping provide meals and snacks to students, addressing food insecurity and improving engagement. Metro United Way, through the Youth Success Network, offers alignment with broader youth development strategies, potential referrals, and community support systems that help expand program reach and impact. Collectively, these partnerships contribute space, equipment, mentorship, creative expertise, and essential resources that allow the Arts and Culture Summer League to operate effectively while providing youth with meaningful exposure to career pathways, community engagement, and high quality enrichment opportunities

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
