CELEBRATE RECOVERY FAIRDALE- OUR STORY FOR GOD'S GLORY

The impact of drugs and alcohol abuse (as well as a variety of other hurts, habits and hang-ups) are clearly evident in our community. These issues are causing devastation and hopelessness with many individuals and families in our churches and communities. With this in mind, Fairdale Christian church launched its chapter of a national ministry Celebrate Recovery in September 2017.

The "CR" ministry offers a positive approach for individuals and families to face their struggles with others who are facing similar challenges. CR is a group of people who are facing freedom in Jesus Christ without fear of judgement. CR at Fairdale Christian partners with several area-based recovery programs and transition houses for our Friday evening fellowship meal and CR meeting.

Celebrate Recovery began with 25 participants and has grown to an average weekly attendance of 215. Friday evenings include a fellowship meal followed by a recovery meeting and an invitation for attendees to begin or strengthen their relationship with Jesus Christ. Over the past eight and a half years, more than 250 men and women have chosen to be baptized through the ministry.

Celebrate Recovery welcomes everyone, regardless of their beliefs. Built on faith, the ministry offers hope, healing, and community for anyone seeking positive change in their life.
