

ORDINANCE NO. _____, SERIES 2026

AN ORDINANCE IMPOSING A TEMPORARY MORATORIUM ON REZONING, CONDITIONAL USE PERMITS AND PLAN CERTAIN, CATEGORY 2B AND 3 DEVELOPMENT PLAN APPLICATIONS RELATING TO TELECOMMUNICATION HOTELS AND DATA CENTERS PENDING A REVIEW AND RECOMMENDED CHANGES BY THE PLANNING COMMISSION.

SPONSORED BY: COUNCIL MEMBERS CHAPPELL, PARRISH-WRIGHT, AND HAWKINS

WHEREAS, the Legislative Council of the Louisville/Jefferson County Metro Government (the “Council”) passed Resolution No. 082, Series 2025 requesting the Planning Commission review the Land Development Code regarding Data Centers on September 25, 2025; and

WHEREAS, the expectation was that the review would take approximately six (6) months to complete (by March 25, 2026), with the resolution requesting Planning Commission recommendations within one hundred twenty (120) days of passage (by January 23, 2026); and

WHEREAS, there was a contemporaneously introduced proposed moratorium on data centers pending the review and revisions which was never passed and instead expired on March 11, 2026; and

WHEREAS, the Council still has not received any recommendations from the Planning Commission, nor has a public hearing been held for the public to comment on and suggest potential changes; and

WHEREAS, in light of the significance of the subject matter and the substantial delay, during the pendency of the ongoing review, the Council desires to preserve the status quo by preventing changes that might render the Planning Commission’s review meaningless.

NOW, THEREFORE, BE IT ORDAINED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT (“COUNCIL”) AS FOLLOWS:

SECTION I: There is hereby imposed a moratorium on the acceptance and further processing by Louisville Metro Planning & Design Services, Louisville/Jefferson County Metro Planning Commission, and Louisville/Jefferson County Board of Zoning Adjustment of any applications for rezoning, conditional use permits, and Plan Certain, Category 2B and 3 development plans that propose telecommunications hotels and/or data centers as one or more of the proposed uses. Applications that were scheduled for a public hearing as of the effective date of this Ordinance may continue to be processed and decided upon by those bodies.

SECTION II: This Ordinance shall take effect upon its passage and approval or otherwise becoming law and shall remain in effect for a period of one hundred eighty (180) calendar days after its effective date unless repealed, extended, or this Council takes final action on proposed changes to the Land Development Code regarding Data Centers.
